The interim financial report should be read in conjunction with the annual audited financial statements of the Prinsiptek Corporation Berhad Group ("the Group") for the financial year ended 31 December 2016.

These explanatory information attached to the interim financial report provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 31 December 2016.

# 2. CHANGES IN ACCOUNTING STANDARDS

The Group falls within the scope definition of Transitioning Entities. On 28 October 2015, MASB further notified that Transitioning Entities would be required to comply with the new MFRS framework for annual periods beginning 1 January 2018. The Group, being Transitioning Entity, will continue to apply with FRS until the MFRS Framework is adopted, no later than annual periods beginning on or after 1 January 2018. For the financial year ending 30 June 2018, the Group therefore continues to prepare financial statements using Financial Reporting Standards ("FRS").

The significant accounting policies adopted were consistent with those of the audited financial statements for the financial year ended 31 December 2016 except for the adoption of the following amendments to Financial Reporting standards ("FRSs") effective for financial periods as stated below:-

		Effective date for financial periods beginning on or after
