17. Review of Performance (continued)

17.1 Financial review for the current quarter and financial period-to-date (continued)

Current year quarter vs preceding year quarter

Revenue Performance (Individual quarter)

The Group's revenue for the current quarter ended 31 December 2023 ("Q2FY2024") has increased by RM2.94 million or 23.79% as compared to preceding quarter ended 31 December 2022 ("Q2FY2023"). The increase in revenue was mainly due to higher sales recorded from the manufacturing segment as a result of increased orders from existing and new customers as well as increasing work progress from the property development segment. However, the increase in revenue was partially offset by the decrease in revenue from retail segment of RM0.75 million..

Profit/(Loss) Before Taxation (Individual quarter)

The Group has recorded a small profit before taxation of RM0.01 million in Q2FY2024 as compared to a loss before taxation of RM1.15 million in Q2FY2023 mainly due to profit generated from higher sales in manufacturing segment of RM0.93 million and increase in interest income of RM0.56 million.

Current financial period to date vs preceding financial period to date

Revenue Performance (period-to-date)

Overall, the Group's revenue for the current financial period ended 31 December 2023 was slightly decreased by RM1.63 million as compared to the corresponding financial period ended 31 December 2022, mainly due to decrease in revenue in manufacturing sales segment and the retail segment. However, the decrease in revenue was partially offset by higher revenue generated from property and development segment.

Manufacturing sales segment recorded a lower revenue as compared to the preceding year corresponding period mainly due to lower market demand from overseas customers.

During the current financial period under review, the property development and construction segment has secured a new refurbishment contract and recognised revenue of RM2.19 million.

Loss Before Taxation

The Group has recorded loss before taxation of RM1.54 million in the current financial period under review as compared to a loss before taxation of RM1.61 million in the preceding year corresponding period mainly due overall lower revenue generated. However, this was partially offset by the increase in interest income of RM0.56 million.

18. Commentary on Prospects

The Group remains positive amidst weak market sentiment and operational challenges, optimistic that consumer spending will increase thereby strengthening our order books in the coming quarters. The Group has been continuously securing orders from its existing established customers mainly from Germany, Canada and USA while also successfully acquiring new customers in Turkey and France. The Group remains persistent in its efforts to diversify into new markets, and with the Group's initiatives to maintain low cost structure, it can maintain a competitive position in the market, providing stability amid prevailing economic uncertainties.

In the property development and construction segment, the Group has recently secured a refurbishment project in Taiping as a result of its strategic initiatives to revive this segment. The Group is diligently working towards initiating development projects such as the Kinta Land and Bentong Project, both of which are in the pipeline.

Moving forward, the Board remains committed to managing the business with diligence, exercising caution in its approach, and exploring opportunities cautiously. To navigate challenges in the manufacturing and property development industry, the Board will continue to monitor market conditions closely, taking into account customer preferences, as well as supply and demand dynamics. The Board's commitment lies in fostering sustainable development and creating value for stakeholders within the evolving business environment.
