15. Review of performance

The Group's revenue for the current quarter is reported at RM37.750 million, which is RM2.732 million lower compared to RM40.482 million registered in the corresponding quarter of last financial year. Gross profit is reported at RM7.650 million in current quarter representing an increase of RM0.473 million compared to the corresponding quarter in last financial year of RM7.177 million mainly due to lower cost of raw materials during the current quarter.

The performance of each business segment is as follows:

(a) Paper packaging

The revenue for the current quarter decreased to RM30.015 million in the current quarter as compared to RM33.115 million reported in the corresponding quarter of last financial year mainly due to fresh competition during the current quarter.

(b) Plastic Packaging

The revenue recorded in the current quarter decreased to RM3.419 million as compared to RM3.644 million reported in the corresponding quarter of last financial year mainly due to lower sales volume during the current quarter.

(c) Contract manufacturing and packing

The revenue for the current quarter increased to RM3.086 million as compared to RM2.855 million recorded in corresponding quarter of last financial year mainly due to higher sales volume achieved during the current quarter.

(d) Investment and property holding

The Group's investment and property holding activities comprises of properties which are rented to subsidiaries and management services which are provided to subsidiaries and dividends received from subsidiaries. All revenue received for both current and corresponding quarter of last financial year is eliminated from the report.

(e) Others

The revenue for the current quarter increased to RM1.230 million as compared to RM0.868 million recorded in corresponding quarter of last financial year mainly due to higher sales volume achieved during the current quarter.

16. Variation of results against preceding quarter

The Group's revenue for the current quarter is RM37.750 million, a decrease of RM1.823 million from preceding quarter of RM39.573 million. This is mainly due to lower sales volume in paper packaging segment during the current quarter.

The Group's current quarter profit before tax of RM6.233 million is RM0.426 million higher compared to the profit before tax of RM5.807 million registered in the preceding quarter mainly due to higher unrealised gain on foreign exchange in current quarter.

17. Prospects

The Group's core attention and focus will be maintained in the paper packaging division. While other avenues and opportunities will continue to be explored and identified, the Group is mindful that in the prevailing market conditions, caution will be exercised.

The Group's business for the current financial year will remain difficult and challenging. Local business confidence and sentiment continue to remain weak and uncertain, affected by local events. Going forward, the Group will closely monitor and take appropriate measures to insulate and adapt to the ever changing operating conditions.

The Group will strive to remain profitable but caution and prudence will be exercised.
