Upon completion of his Electronic Share Application transaction, the applicant will receive a computer-generated transaction slip ("Transaction Record"), confirming the details of his Electronic Share Application. The Transaction Record is only a record of the completed transaction at the ATM and not a record of the receipt of the Electronic Share Application or any data relating to such an Electronic Share Application by the Company or MIH. The Transaction Record is for retention by the applicant and should not be submitted with any Application Form.

- (g) Where an Electronic Share Application is not successful or successful in part only, the relevant Participating Financial Institution will be informed of the non-successful or partially successful applications. Where the Electronic Share Application is not successful, the relevant Participating Financial Institution will credit the full amount of the application monies without interest into the applicant's account with that Participating Financial Institution within 2 market days after the receipt of confirmation from MIH. MIH shall inform the Participating Financial Institutions of the non-successful or partially successful applications within 2 market days after the balloting date. The applicants may check their accounts on the fifth market day from the balloting day.

For such applications which are subsequently rejected, the application monies without interest will be refunded to applicants by MIH by way of cheques issued by MIH. The cheques will be issued to the applicants not later than 10 market days from the day of the ballot of the application list. Should applicants encounter any problems in their applications, they may refer to the Participating Financial Institutions.
