A: EXPLANATORY NOTES PURSUANT TO FINANCIAL REPORTING STANDARD 134

1. Basis of preparation

The interim financial statements are unaudited and have been prepared in accordance with the reporting requirements of Malaysian Financial Reporting Standards ("MFRS") 134: Interim Financial Reporting issued by the Malaysian Accounting Standards Board ("MASB") and Paragraph 9.22 Main Market Listing Requirements of the Bursa Malaysia Securities Berhad ("Bursa"). These interim financial statements also comply with IAS 34: Interim Financial Reporting issued by the International Accounting Standards Board.

The MFRS are effective for the Group from 1 October 2012 and the date of transition to the MFRS framework for the purpose of the first MFRS compliant interim financial statements are 1 October 2011. The Group reviewed its accounting policies and considered the transitional opportunities under MFRS 1 and the impact of the transition to MFRS framework is described in Note 2 below.

The interim financial statements should be read in conjunction with the audited financial statements for the financial year ended 30 September 2013. The explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 30 September 2013.

2. Significant accounting policies and application of MFRS 1

The audited financial statements of the Group for the year ended 30 September 2013 were prepared in accordance with Malaysian Financial Reporting Standards ("MFRS"), International Financial Reporting Standards ("IFRS") and the requirements of the Companies Act, 1965 in Malaysia. The significant accounting policies adopted in preparing these interim financial statements are consistent with those of the audited financial statements for the year ended 30 September 2013. The transitioning to MFRS does not have any significant impact on the interim financial report of the Group.

3. Auditors' report on preceding annual financial statements

The auditors' report on the financial statements for the year ended 30 September 2013 was not subject to qualification.

4. Comments about seasonal or cyclical factors

The Group is basically involved in the production and distribution of books. In relation to our academic books, school terms will have impact on revenue and margin.

The bulk of turnover of the Group comes from 1st quarter of our financial year (October 2013 to December 2013) before school term reopened. The turnover cycle is expected to drop in the 2nd and 3rd quarter of our financial year (January 2014 to June 2014), in which the returns are usually higher than the 1st and 4th quarter of our financial year.

The 4th quarter of our financial year (July 2014 to September 2014) is expected to be the period of heavy production and promotion. However, the turnover starts picking up towards the end of our 4th quarter and the momentum is well carried forward to the 1st quarter of our next financial year before school term reopens again.

5. Unusual items due to their nature, size and incidence

There were no unusual items affecting assets, liabilities, equity, net income, or cash flows of the Group for the current quarter under review.

6. Changes in estimates

There were no changes to the estimates that have a material effect in the current quarter under review.

7. Debts and equity securities

Treasury Shares

The Company has not repurchased any ordinary shares from the open market during the current quarter ended 31 December 2013.

As at 31 December 2013, a total of 3,271,100 ordinary shares of RM0.50 each are held as treasury shares by the Company. These treasury shares are held at a total carrying amount of RM1,407,602.

The buy back transactions were financed by internally generated funds. The shares purchased are held as treasury shares in accordance with Section 67A of the Companies Act 1965. None of the treasury shares held are resold or cancelled during the period ended 31 December 2013.

Other than as mentioned above, there are no issuance, cancellation, repurchase, resale or repayment of debts and equity securities for the current quarter.

16. Performance review (YTD Q1 2014 vs YTD Q1 2013)

The Group reported a consolidated turnover of RM27.4 million for the current period ended 31 December 2013 as compared to RM24.1 million for the comparative period ended 31 December 2012. The consolidated turnover increased by RM3.3 million or equivalent to 13.7% for the period under review.

The Group reported a profit after tax of RM4.2 million for the current period ended 31 December 2013 as compared to RM2.9 million for the comparative period ended 31 December 2012. The consolidated profit after tax for the period under review increased by RM1.3 million and was significantly contributed by better sales performance from the publishing segment as well as the Thailand subsidiary.

The main contributor towards the profitability of the Group in the current period still remains as the Publishing Segment.

Publishing Segment

During the current period, the Publishing Segment generated a turnover of RM25.5 million as compared to RM21.2 million for the comparative period ended 31 December 2012. The Publishing Segment recorded bottom line results of RM5.8 million in the current period compared to RM3.3 million in the comparative period, due to the better sales performance achieved.

Printing Segment

The Printing Segment generated a total revenue of RM4.4 million in the current period as compared to a total revenue of RM4.3 million for the comparative period ended 31 December 2012.

The bottom line results of RM584,000 as recorded by the printing segment in the current period ended 31 December 2013 is an improvement from the comparative period ended 31 December 2012 of which RM213,000 was generated from printing operations and the remaining portion of RM954,000 was derived from the disposal of property units.

Education Segment

The Education Segment remains as a minor segment within the Group, a component that still yields no profit since its inception. The Education Segment recorded a loss of RM32,000 based on its total revenue of RM62,000 generated during the current period.

However to the Group, the conduct of the Education Segment, to a certain extent plays a role to complement the Group in promoting a greater brand name to the awareness of the public.

17. Comparison with preceding quarter results (Q1 2014 vs Q4 2013)

The Group reported a profit before tax of RM6.3 million for the current quarter ended 31 December 2013 as compared to the loss before tax of RM3.8 million generated in the preceding quarter ended 30 September 2013. The profit generated during this current quarter is in line with the business trend and annual cyclical order as explained in Note 4.

18. Commentary of prospects

The Group will continue to look for opportunities to maintain its competitive advantage against other market players by penetrating new market and pursuing the development and registration of new products for both local and overseas market. Nevertheless, the Group will remain focused in managing its operating costs effectively.

The Board expects the Group's performance to be satisfactory for the financial year ending 30 September 2014.

19. Profit forecast & profit guarantee

The Group has not issued any profit forecast or profit guarantee during the current quarter under review.
