Notes to the Interim Financial Report - 3rd Quarter ended 31st October 2019

Part A. EXPLANATORY NOTES PURSUANT TO MALAYSIAN FINANCIAL REPORTING STANDARD (MFRS) 134

A1 Basis of Preparation

The interim financial statements are unaudited and have been prepared in accordance with the requirements of Malaysian Financial Reporting Standard ("MFRS") 134, "Interim Financial Reporting" issued by the Malaysian Accounting Standards Board ("MASB") and paragraph 9.22 of the Bursa Malaysia Securities Berhad Listing Requirements.

The unaudited interim financial statements should be read in conjunction with the Group's annual audited financial statements for the year ended 31 January 2019.

A2 Changes in Accounting Policies

The significant accounting policies adopted by the Company in this report are consistent with those used in the Audited Financial Statements of the Company for the financial year ended 31 January 2019.

The Group has adopted all the new and revised MFRSs and IC Interpretations that are relevant and effective for accounting periods beginning or after 1 January 2019. The adoption of these new and revised MFRSs and IC Interpretations have not resulted in any material impact on the financial statements of the Group except for MFRS 16.

MFRS 16 Leases

MFRS 16 introduces a single accounting model for a lessee and eliminates the distinction between finance lease and operating lease. Lessee is now required to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Upon adoption of MFRS 16, the Group and the Company are required to account for major part of their operating leases in the statement of financial position by recognising the "right-of-use" assets and the lease liability, thus increasing the assets and liabilities of the Group and the Company.

A3 Audit qualification

The Company's External Auditors, Messrs RSM Malaysia had expressed the following qualified opinion in the Company's Audited Financial Statements for the financial year ended 31 January 2019.

Qualified Opinion

We have audited the financial statements of Comintel Corporation Bhd, which comprise the statements of financial position as at 31 January 2019 of the Group and of the Company, and the statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 6 to 90

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 January 2019, and of their financial performance and their cash flows for the financial year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

The financial statements of the Group and of the Company for the financial year ended 31 January 2018 were audited by another firm of chartered accountants whose report dated 16 May 2018 expressed an unmodified opinion.

Basis for Qualified Opinion

We draw attention to notes to the financial statements, which state the following:

(a) As disclosed in note 35(a), on 25 January 2018 and 26 January 2018, the directors announced that the Company had triggered Paragraph 8.03A of the Main Market Listing Requirements ("MMLR") of Bursa Malaysia Securities Berhad ("Bursa Malaysia") and is classified as an affected listed issuer. The Company is required to submit a proposed regularisation plan for the Group and the Company ("Regularisation Plan") to the relevant authorities and to implement the Regularisation Plan within the stipulated timeframe.

The Company submitted an application for an extension of time seeking approval for an extension of time for the Company to comply with Paragraph 5.0 of Practice Note 17 ("PN17") of the MMLR as the Company had yet to finalise the Regularisation Plan for submission to the relevant authorities for approval. On 22 February 2019, Bursa Malaysia granted the Company an extension of time up to 24 July 2019 for the submission of the Regularisation Plan.

On 28 March 2019, the directors announced that the Company had further triggered Paragraph 2.1(a) of PN17 of the MMLR of Bursa Malaysia.

- (b) As disclosed in note 35(b), Comintel Sdn Bhd ("Comintel") is unable to pay RM20,833,053 with interest at 8% per annum to Ansat Broadcast Sdn Bhd (formerly known as U Television Sdn Bhd or "UTV") as ordered by the Federal Court on 18 August 2017. On 17 April 2019, the Shah Alam High Court has allowed the winding-up petition by UTV against Comintel and Mr Augustine A/L T.K. James of Messrs James & Co was appointed as Comintel's liquidator.
 - Due to the impending winding up of Comintel, the financial statements of Comintel for the financial year ended 31 January 2019 is prepared on break up basis.
- (c) The financial statements of Comintel Green Technologies Sdn Bhd ("CGT") for the financial year ended 31 January 2019 have been prepared on break up basis as CGT has not been operating at a capacity sufficient to generate profits during the financial year. As at the date of this report, CGT is only generating minimal revenue for the Group.

The abovementioned events and conditions indicate the existence of multiple uncertainties which may cast significant doubt about the ability of the Group and of the Company to continue as a going concern.

A3 Audit qualification (cont'd)

Basis for Qualified Opinion (cont'd)

The ability of the Group and of the Company to carry on a going concern, amongst others, is dependent upon the following:

- (i) The timely and successful formulation and implementation of the key components of the Regularisation Plan; and
- (ii) The ability of the Group and of the Company to achieve sustainable and viable operations with adequate cash flows generated from their operating activities.

In the event that these are not forthcoming, the Group and the Company may be unable to realise their assets and discharge their liabilities in the normal course of business. Accordingly, the financial statements of the Group and of the Company may require adjustment to restate the carrying amounts of the assets to their recoverable amounts and to provide further liabilities that may arise.

The financial statements of the Group and of the Company do not include any adjustments and classification relating to the recorded assets and liabilities that may be necessary should the Group and the Company be unable to continue as going concern, other than the assets and liabilities of Comintel and CGT that are stated on break up basis in the consolidated financial statements of the Group.

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the Group and of the Company for the current financial year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
Material litigation	
Refer to note 31 Material Litigation	The details of our work performed are as follows:
Television Sdn Bhd or "UTV") and Tan Sri Dato' Seri Vincent Tan on a litigation brought by Comintel Sdn Bhd ("Comintel") and allowed a counter claim of RM20,833,053 by UTV and Tan	financial year and sent letters to the solicitors providing legal services to the Group's entities, inquiring about litigations and actual or potential claims and disputes;
Sri Dato' Seri Vincent Tan against Comintel together with interest at 8% per annum with effect from the same date.	(b) assessed the responses received to the above inquiries;
On 7 March 2019, the Federal Court had dismissed Comintel's application to review the Federal Court's earlier order dated 18 August 2017.	(c) read minutes of meetings of the board of directors' and audit committees of the Group's key entities, and also inspected correspondences with regulators;
allowed the Winding Up Petition ("Petition") and that Comintel is to be wound up under the provision of the Companies Act 2016 and Mr. Augustine A/L T.K. James of James & Co is appointed as Comintel's liquidator.	(d) critically assessed the Group's assumptions and estimates in respect of claims, including the liabilities recognised or contingent liabilities disclosed in the financial statements. Assessment of the probability of negative result of litigation and the reliability of estimates of related obligation;
Whether a liability or contingent liability is recognised or disclosed in the financial statements is inherently uncertain and is dependent on a number of significant assumptions and judgements. The amounts involved are potentially significant and to determine the amount to be recognised or disclosed in the financial statements, is inherently subjective.	(e) assessed whether the Group's disclosures detailing significant legal and regulatory proceedings adequately disclosed the potential liabilities of the Group; and

	(f) assessed and followed through with the Petition and status of the realisation of assets and liabilities of Comintel.
Impairment of property, plant and equipment	
Refer to note 6 Property, Plant and Equipment	The details of our work performed are as follows:
The Group is required to perform an impairment test on cash generating units ("CGUs") whenever there is an indication that the CGU may be impaired.	(a) evaluated the competency, capabilities and objectivity of the independent valuers which included the consideration of their independence, qualification and experience;
The Waste-to-Energy segment of the Group has not been operating at a capacity sufficient to generate profits during the financial year.	(b) understand the scope and purpose of the valuation by reading the correspondences with the independent valuers and their valuation report;
In view of the significant losses incurred during the current financial year, there is indication that the carrying amount of these plant and equipment may not be recoverable.	(c) read the valuation report and discussed with the independent valuers on their valuation approach and the significant judgements made; and
Accordingly, the Group estimated the recoverable amount of the plant and equipment by performing an impairment assessment in the current financial year to estimate the recoverable amount of these assets with reference to the valuation performed by independent valuers.	(d) performed mathematical calculation of the impairment assessment.
This impairment review was significant to our audit because the assessment process is complex and is based on assumptions that are highly judgemental.	

Steps taken or proposed to be taken to address those key audit matters that relate to the modified opinion or material uncertainty related to going concern and the timeline:-

- (1) As per our announcement dated 8 August 2019, Bursa Malaysia Securities Berhad ("Bursa Malaysia") has granted the Company a further extension of time of up to 24 January 2020 to submit a Regularisation Plan. As per our announcement dated 2 December 2019, the Company is working on the Regularisation Plan.
- (2) The Company entered into a Settlement Agreement with Ansat Broadcast Sdn Bhd ("Ansat Broadcast") (formerly known as U Television Sdn Bhd) to pay the sum of Ringgit Malaysia Four Million (RM4,000,000-00) only as full and final payment of the entire debt ("Settlement Sum") owed by Comintel Sdn Bhd (In Liquidation) to Ansat Broadcast Sdn Bhd under the Federal Court Order dated 18 August 2017 and the High Court Order dated 17 April 2019. The Company is in the process to submit an Application to terminate the winding up of Comintel Sdn Bhd (In Liquidation).
- (3) For our Green Waste Management and Waste-to-Energy segment, we are increasing our efforts to source for alternative raw materials and/or suppliers to increase the quantity of raw materials supply to the plant to enable the plant to operate at an optimum level.

B17 Audit Report Qualification and Status of Matters Raised

The Company's External Auditors, Messrs RSM Malaysia had expressed the following qualified opinion in the Company's Audited Financial Statements for the financial year ended 31 January 2019.

Qualified Opinion

We have audited the financial statements of Comintel Corporation Bhd, which comprise the statements of financial position as at 31 January 2019 of the Group and of the Company, and the statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 6 to 90.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 January 2019, and of their financial performance and their cash flows for the financial year then ended in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

The financial statements of the Group and of the Company for the financial year ended 31 January 2018 were audited by another firm of chartered accountants whose report dated 16 May 2018 expressed an unmodified opinion.

Basis for Qualified Opinion

We draw attention to notes to the financial statements, which state the following:

(a) As disclosed in note 35(a), on 25 January 2018 and 26 January 2018, the directors announced that the Company had triggered Paragraph 8.03A of the Main Market Listing Requirements ("MMLR") of Bursa Malaysia Securities Berhad ("Bursa Malaysia") and is classified as an affected listed issuer. The Company is required to submit a proposed regularisation plan for the Group and the Company ("Regularisation Plan") to the relevant authorities and to implement the Regularisation Plan within the stipulated timeframe.

The Company submitted an application for an extension of time seeking approval for an extension of time for the Company to comply with Paragraph 5.0 of Practice Note 17 ("PN17") of the MMLR as the Company had yet to finalise the Regularisation Plan for submission to the relevant authorities for approval. On 22 February 2019, Bursa Malaysia granted the Company an extension of time up to 24 July 2019 for the submission of the Regularisation Plan.

On 28 March 2019, the directors announced that the Company had further triggered Paragraph 2.1(a) of PN17 of the MMLR of Bursa Malaysia.

(b) As disclosed in note 35(b), Comintel Sdn Bhd ("Comintel") is unable to pay RM20,833,053 with interest at 8% per annum to Ansat Broadcast Sdn Bhd (formerly known as U Television Sdn Bhd or "UTV") as ordered by the Federal Court on 18 August 2017. On 17 April 2019, the Shah Alam High Court has allowed the winding-up petition by UTV against Comintel and Mr Augustine A/L T.K. James of Messrs James & Co was appointed as Comintel's liquidator.

Due to the impending winding up of Comintel, the financial statements of Comintel for the financial year ended 31 January 2019 is prepared on break up basis.

(c) The financial statements of Comintel Green Technologies Sdn Bhd ("CGT") for the financial year ended 31 January 2019 have been prepared on break up basis as CGT has not been operating at a capacity sufficient to generate profits during the financial year. As at the date of this report, CGT is only generating minimal revenue for the Group.

The abovementioned events and conditions indicate the existence of multiple uncertainties which may cast significant doubt about the ability of the Group and of the Company to continue as a going concern.

B17 Audit Report Qualification and Status of Matters Raised (cont'd)

Basis for Qualified Opinion (cont'd)

The ability of the Group and of the Company to carry on a going concern, amongst others, is dependent upon the following:

- (i) The timely and successful formulation and implementation of the key components of the Regularisation Plan; and
- (ii) The ability of the Group and of the Company to achieve sustainable and viable operations with adequate cash flows generated from their operating activities.

In the event that these are not forthcoming, the Group and the Company may be unable to realise their assets and discharge their liabilities in the normal course of business. Accordingly, the financial statements of the Group and of the Company may require adjustment to restate the carrying amounts of the assets to their recoverable amounts and to provide further liabilities that may arise.

The financial statements of the Group and of the Company do not include any adjustments and classification relating to the recorded assets and liabilities that may be necessary should the Group and the Company be unable to continue as going concern, other than the assets and liabilities of Comintel and CGT that are stated on break up basis in the consolidated financial statements of the Group.

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the Group and of the Company for the current financial year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
Material litigation	

Refer to note 31 Material Litigation

On 18 August 2017, the Federal Court of Malaysia had allowed the appeal by Ansat Broadcast Sdn Bhd (formerly known as U Television Sdn Bhd or "UTV") and Tan Sri Dato' Seri Vincent Tan on a litigation brought by Comintel Sdn Bhd ("Comintel") and allowed a counter claim of RM20,833,053 by UTV and Tan Sri Dato' Seri Vincent Tan against Comintel together with interest at 8% per annum with effect from the same date.

On 7 March 2019, the Federal Court had dismissed Comintel's application to review the Federal Court's earlier order dated 18 August 2017.

Subsequently, on 17 April 2019, the Shah Alam High Court allowed the Winding Up Petition ("Petition") and that Comintel is to be wound up under the provision of the Companies Act 2016 and Mr. Augustine A/L T.K. James of James & Co is appointed as Comintel's liquidator.

Whether a liability or contingent liability is recognised or disclosed in the financial statements is inherently uncertain and is dependent on a number of significant assumptions and judgements. The amounts involved are potentially significant and to determine the amount to be recognised or disclosed in the financial statements, is inherently subjective.

The details of our work performed are as follows:

- (a) reviewed the legal expenses incurred during the financial year and sent letters to the solicitors providing legal services to the Group's entities, inquiring about litigations and actual or potential claims and disputes;
- (b) assessed the responses received to the above inquiries;
- (c) read minutes of meetings of the board of directors' and audit committees of the Group's key entities, and also inspected correspondences with regulators;
- (d) critically assessed the Group's assumptions and estimates in respect of claims, including the liabilities recognised or contingent liabilities disclosed in the financial statements. Assessment of the probability of negative result of litigation and the reliability of estimates of related obligation;
- (e) assessed whether the Group's disclosures detailing significant legal and regulatory proceedings adequately disclosed the potential liabilities of the Group; and
- (f) assessed and followed through with the Petition and status of the realisation of assets and liabilities of Comintel.

B17 Audit Report Qualification and Status of Matters Raised (cont'd)

Key Audit Matters (cont'd)

Key audit matter	How our audit addressed the key audit matter
Impairment of property, plant and equipment	
Refer to note 6 Property, Plant and Equipment	The details of our work performed are as follows:
The Group is required to perform an impairment test on cash generating units ("CGUs") whenever there is an indication that the CGU may be impaired.	(a) evaluated the competency, capabilities and objectivity of the independent valuers which included the consideration of their independence, qualification and experience;
The Waste-to-Energy segment of the Group has not been operating at a capacity sufficient to generate profits during the financial year.	(b) understand the scope and purpose of the valuation by reading the correspondences with the independent valuers and their valuation report;
In view of the significant losses incurred during the current financial year, there is indication that the carrying amount of these plant and equipment may not be recoverable.	(c) read the valuation report and discussed with the independent valuers on their valuation approach and the significant judgements made; and
Accordingly, the Group estimated the recoverable amount of the plant and equipment by performing an impairment assessment in the current financial year to estimate the recoverable amount of these assets with reference to the valuation performed by independent valuers.	(d) performed mathematical calculation of the impairment assessment
This impairment review was significant to our audit because the assessment process is complex and is based on assumptions that are highly judgemental.	

Steps taken or proposed to be taken to address those key audit matters that relate to the modified opinion or material uncertainty related to going concern and the timeline:-

- (1) As per our announcement dated 8 August 2019, Bursa Malaysia Securities Berhad ("Bursa Malaysia") has granted the Company a further extension of time of up to 24 January 2020 to submit a Regularisation Plan. As per our announcement dated 2 December 2019, the Company is working on the Regularisation Plan.
- (2) The Company entered into a Settlement Agreement with Ansat Broadcast Sdn Bhd ("Ansat Broadcast") (formerly known as U Television Sdn Bhd) to pay the sum of Ringgit Malaysia Four Million (RM4,000,000-00) only as full and final payment of the entire debt ("Settlement Sum") owed by Comintel Sdn Bhd (In Liquidation) to Ansat Broadcast Sdn Bhd under the Federal Court Order dated 18 August 2017 and the High Court Order dated 17 April 2019. The Company is in the process to submit an Application to terminate the winding up of Comintel Sdn Bhd (In Liquidation).
- (3) For our Green Waste Management and Waste-to-Energy segment, we are increasing our efforts to source for alternative raw materials and/or suppliers to increase the quantity of raw materials supply to the plant to enable the plant to operate at an optimum level.
