#### B1. Review of Performance

The Group registered a revenue of RM13.9 million for the current quarter, an increase of RM1.4 million or 11.2% compared to the preceding year corresponding quarter of RM12.5 million mainly due to higher sales revenue from export of wooden picture frame moulding and the strengthening of US Dollar. The Group's profit before tax was RM3.6 million, an increase of RM0.6 million or 20% as compared to RM3.0 million in the preceding year corresponding quarter mainly due to the reason as explained above.

As disclosed in Note A9, the Group is primarily involved in the manufacturing and sale of wooden picture frame moulding and timber products, and its operation are carried out solely in Malaysia. Hence, there is no detailed analysis on revenue and earnings of other business operating segments.

#### **B2.** Variation of Results Against Preceding Quarter

The Group recorded a revenue of RM13.9 million for the current quarter under review, a decrease of RM1.9 million or 12.0% from RM15.8 million in the preceding quarter mainly due to lower sales revenue from export of wooden picture frame. Despite the Group recorded a lower revenue, the Group's profit before tax increase by RM0.1 million or 2.9% to RM3.6 million as compared to RM3.5 million in the preceding quarter. The increase in profit before tax was mainly attributable to the strengthening of US Dollar.

#### **B3.** Current Year Prospects

With the US unemployment rate down to 5.4% and the decline in energy costs, it is believed that consumer spending will continue to be bolstered to drive economic growth in US and our sales. On the flip side, recent economic data appears to give mixed signals on the direction the economy is heading. Retail sales is weak and come in below expectations. Regardless of the less than certain economic scenario, the Group is expected to be resilient and is well prepared to take on economic headwinds. Barring any unforeseen circumstances, we expect to perform satisfactorily for the remaining period of the financial year ending 31 December 2015.

## **B4.** Profit Forecast and Estimates Announced or Disclosed

Not applicable as there were no profit forecast or estimates that have been announced or disclosed for the financial year ending 31 December 2015.
