**Malaysian Financial Reporting Standards (MFRS Framework)**

On 19 November 2011, the MASB issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards (“MFRS Framework”). The MFRS Framework is to be applied by all Entities Other Than Private Entities for annual periods beginning on or after 1 January 2012, with the exception of entities that are within the scope of MFRS 141 Agriculture and IC Interpretation 15 Agreements for Construction of Real Estate, including its parent, significant investor and venture (herein called “Transitioning Entities”).

Transitioning Entities will be allowed to defer adoption of the new MFRS Framework for an additional one year. Consequently, adoption of the MFRS Framework by Transitioning Entities will be mandatory for annual periods beginning on or after 1 January 2013.

Financial statements that are drawn up in accordance with the new MFRS framework will be equivalent to financial statements prepared by other jurisdictions which adopt IFRSs (“International Financial Reporting Standards”).

The Group and the Company will prepare its financial statements in accordance with the MFRS Framework in its first MFRS financial statements for the financial year ending 31 December 2012. In presenting its first MFRS financial statements, the Company will be required to apply MFRS 1 First-time Adoption of Malaysian Financial Reporting Standards (“MFRS 1”) in order to assert full compliance with MFRSs and IFRSs. MFRS 1 requires restatement of the financial position as at 1 January 2011 (the date of transition to MFRS) to amounts reflecting the application of MFRS Framework. As at 31 December 2011, the existing FRS Framework is already largely aligned with the MFRS Framework except for MFRS 1 which provides first-time adopter certain exemptions and policy choice.

The Group and the Company have started assessment of the impact arising from the adoption of MFRS 1 and are in the process of assessing the financial effects of differences between the existing FRSs and the MFRSs. Accordingly, the financial performance and financial position as disclosed in the financial statements for the financial year ended 31 December 2011 could be different if prepared under the MFRS Framework.

The Group and the Company expect to be in a position to fully comply with the requirements of the MFRS Framework for the financial year ending 31 December 2012.
