PART A: EXPLANATORY NOTES PURSUANT TO FINANCIAL REPORTING STANDARD 134 ("FRS 134")

A1. Basis of preparation

The condensed interim financial statements for the 4th quarter ended 31 December 2008 are unaudited and have been prepared in accordance with FRS134 Interim Financial Reporting issued by the Malaysian Accounting Standards Board ("MASB") and Paragraph 9.22 and Part A of Appendix 9B of the Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities"). The condensed interim financial statements should be read in conjunction with the audited consolidated financial statements of STC for the financial year ended 31 December 2007.

The explanatory notes attached to the condensed interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of STC and its subsidiary companies ("Group") since the financial year ended 31 December 2007.

A2. Changes in Accounting Policies

The significant accounting policies and methods of computation adopted by STC in these condensed interim financial statements are consistent with those adopted in the audited consolidated financial statements of STC for the financial year ended 31 December 2007 except for the change in accounting policy on revenue recognition by the Company's wholly owned subsidiary company, Seremban Engineering Sdn Bhd ("SESB").

The salient points of the change are as follows,

- (a) SESB had on 1 January 2008, changed of its revenue recognition policy for its process equipment manufacturing division from completion method to that of percentage of completion method for projects supported by contracts or where specific progress claims can be clearly identified against the stage of completion of contracts, resulting decrease in profit after tax and earnings per share attributable to equity holders of the parent for current quarter of the Group by RM 816 thousand and 0.68 sen respectively.
- (b) The change in the accounting policy has been accounted for prospectively in accordance with FRS 108: Accounting Policies, Changes in Accounting Estimates and Errors ("FRS 108").

A2. Changes in Accounting Policies (Continued)

- (c) The interim results of the corresponding comparative quarter have not been restated as it is impracticable to determine the period specific effects or the cumulative effect of the change. The management has not collected sufficient data in prior periods in a way that allows retrospective application of the new accounting policy.
- (d) The change in the accounting policy will allow better reflection and consistency of the periodic performance of process equipment manufacturing division in line with the industry norms and common practices.

A3. Qualification of Annual Financial Statements

The latest audited consolidated financial statements of STC for the financial year ended 31 December 2007 were not qualified.

A4. Seasonal and cyclical factors

(c) The Board of Directors of STC had on 18 February 2009 announced that Seremban Engineering Sdn Bhd ("SESB"), a wholly owned subsidiary of STC has entered into a joint venture cum shareholders' agreement with Carsten Ranico & Partners (M) Sdn Bhd ("CRP") to set up a company in British Virgin Islands ("JV Company") to be principally involved in the leasing and servicing of steam stripping equipments wherein SESB shall hold 50% and CRP shall hold the remaining 50% in the share capital of the JV Company. The respective parties to the JV Company are in the midst of setting up the JV Company.

There were no changes in the composition of the Group during the current quarter and financial year under review save as disclosed above.

A13. Changes in contingent liabilities and contingent assets

As at the date of this announcement, there were no material contingent liabilities and contingent assets incurred by the Group which, upon becoming enforceable, may have a material impact on the financial position of the Group.

PART B: ADDITIONAL INFORMATION REQUIRED BY THE LISTING REQUIREMENTS OF BURSA SECURITIES

B1. Review of performance

The Group recorded revenue of RM 42.1 million for the current quarter as compared to corresponding quarter of RM 44.2 million, showing slight decrease of 4.7%. However, for the financial year ended 31 December 2008, the revenue had increased by 26.6% to RM 185.0 million as compared to RM 146.1 million recorded in the previous year. Current quarter Profit after tax (PAT) of RM 5.4 million was similar to previous corresponding quarter. Nevertheless, the Group's performance improved for the financial year ended 31 December 2008 as compared to previous financial year ended 31 December 2007 as PAT increased to RM 23.8 million from RM 17.9 million, showing an increase of 33% mainly due to higher sales volume from transformer, industrial lighting and process equipment segments.

Save as disclosed as above, there were no material factors affecting the earnings and/or revenue of the Company and the Group for the current quarter under review.

B2. Variation of results against preceding quarter

The Group's PBT of RM 6.3 million for the current quarter was approximately RM 2.5 million or 29.1% lower than the preceding quarter ended 30 September 2008 of RM 8.8 million mainly due to write-down of inventories.

B3. Prospects 2009

The outlook for the manufacturing of transformers, industrial lightings and process equipment is expected to be very challenging. Nevertheless, the Company will continue to focus on tapping on its extensive customer network and aggressive sales and marketing force in expanding and exploring into new markets especially in export market. Despite the uncertainties facing the global and domestic economy, the Board will aim to record moderate improved performance in 2009.

B4. Profit Forecast or Profit guarantee

Not applicable as there was no profit forecast or profit guarantee issued by the Group.

B5. Tax expense

	4th Quarter ended		Twelve months endo	
	31-Dec 2008 RM'000	31-Dec 2007 RM'000	31-Dec 2008 RM'000	31-Dec 2007 RM'000

All the borrowings are denominated in Ringgit Malaysia.

B10. Off balance sheet financial instrument

There are no off balance sheet financial instruments as at the date of this report that might materially affect the Group's business position.

B11. Changes in material litigation

Save as disclosed below, the Group is not engaged in any material litigation or arbitration, either as plaintiff or defendant, which has a material effect on the financial position of the Group, and the Board is not aware of any proceedings pending or threatened, or of any fact likely to give rise to any proceedings, which might materially and adversely affect the position or business of the Group;

A suit initiated by SESB on 15 August 2003 against Dato Dr. Mohd Aminuddin bin Mohd Rouse ("Defendant") in the Kuala Lumpur High Court via suit number S7-22-1243-2003. SESB's claim arises from an agreement dated 23 April 1998 whereby SESB had advanced an interest free loan of RM 1,454,700 to the Defendant. SESB is now seeking damages of RM 1,454,700 together with interest against the Defendant. The matter is now fixed for mention on 7 April 2009 by the court. The solicitors of SESB are of the view that SESB's chances of success on the matter to be fair.

B12. Proposed Dividend

No dividend has been proposed for the 4th quarter ended 31 December 2008.

B13. Earnings per share

(a) Basic

Basic earnings per share amounts are calculated by dividing profit for the period attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares in issue during the financial quarter ended 31 December 2008 are computed as follow:-

	4th Quarter ended		Twelve months ended	
	31 Dec 2008	31 Dec 2007	31 Dec 2008	31 Dec 2007
