There was no valuation of property plant and equipment for the financial quarter.

#### A10. Significant Events During The Financial Quarter

During the financial period, the following significant events took place for the Company and its subsidiaries:

i) The Company has embarked on an internal reorganisation exercise which involved an indirect wholly-owned subsidiary of the Company i.e. Destini First Sdn Bhd (formerly known as Satang Dagangan Sdn Bhd) ("DFSB").

The internal reorganisation, which was completed on 26 January 2015 involves the transfer of the entire issued and paid up share capital held by DPSB to Destini at the total consideration of RM1.00 only.
