#### 5. Unusual items affecting assets, liabilities, equity, net income and cash flows

There were no unusual items affecting assets, liabilities, equity, net income and cash flows during the current quarter under review other than the following:

Optimis Dinamik Sdn Bhd ("ODSB"), a wholly owned subsidiary of MRB Group, received a letter dated 20 December 2012 from Sri Manjung Granite Quarry Sdn Bhd ("SMGQ"), the owner of quarry sites located at Mukim Pengkalan Baru, Daerah Manjung, Perak ("Quarry Site") on 24 December 2012, giving 60 days' notice to cease any remaining operation or activity on the Quarry Site and to dismantle and remove all plant and machinery and vacate all buildings and structures at the Quarry Sites and return the Quarry Sites to SMGQ.

Based on the advice given by our legal counsel, we are strongly contesting the purported termination as it is wrongful and without any valid basis. The subsidiary immediately initiated all necessary legal actions to challenge the purported termination of contract by issuing notices of demand to SMGQ for an amount of RM58,200,000 being the estimated losses incurred arisen from the unlawful termination of the agreement entered between the parties dated 28 March 2006.

The said demand of estimated losses was derived from the estimated loss of profit of the remaining 9 years of the Agreement and the carrying value of the Fixed Assets for Manjung Quarry.

As at 31 December 2013, the Quarry Development Expenditure capitalised of RM1,198,428 had been written off to statement of profit and loss and other comprehensive income for the financial year ended 31 December 2013.
