B3 Prospects

The Group on 25 February 2013 and 31 May 2013 has announced that it is now classified as an affected listed issuer under Practice Notes No. 1 and 17 of Bursa Malaysia Listing requirement (PN1 and PN 17) respectively. The Group has ceased its vinyl operation and it is now focused on completing the Solar Farm and the Proposed Reverse Take Over (RTO) Exercise to uplift the Group from PN17 status.

The PN1 classification was attributed to its wholly owned subsidiary, Industrial Resins (Malaysia) Sdn Bhd ("IRMSB") which was unable to service its outstanding borrowings on the due dates. Whilst the PN17 classification was triggered subsequent to the Group's annoucement that its shareholders' equity on a consolidated basis for the quarter ended 31 March 2013 was less than 50% of the issued and paid-up capital and the auditors have expressed an emphasis of matter on its ability to continue as a going concern in its audited financial statements for the financial period ended 31 December 2012.

Pursuant to PN17 requirement, the Group is required to submit its regularization plan within 12 months from the date of its first announcement. The Group, as announced on 8 May 2014, had enterred into Head of Agreement with Permintex Automotive Sdn Bhd (PASB) on the Company's proposal to undertake the Proposed Regularisation Plan to regularise the financial position of the Company. Subsequent to the applications made to Bursa Securites, the Group has been given an extension of time to submit the Regularisation Plan up to 19 December 2014.

The Group, on 19 December 2014, annouced that the agreement enterred with PASB has been terminated as the Board of the view that it is unlikely that certain conditions precedent to the agreement could not be met by PASB. As such, the proposals comprising the Proposed Regularisation Plan will neither be implemented nor will the submission of the regularisation plan to the relevant authroties be made by the 19 December 2014. The Group, on the same day submitted to Bursa Securities for a further extension of time of approximately five (5) months up to 31 May 2015 to submit its regularisation plan to the relevant authorities.

The Group's application for the extension of time was however been rejected by the Bursa Securities on 30 January 2015. Bursa has also informed that the trading of the Company's securities will be suspended with effect from 11 February 2015 and the securities will be de-listed on 13 February 2015 unless an appeal against the de-listing is submitted to Bursa Securities on or before 10 February 2015.

The Group has submitted its appeal against Bursa de-listing procedure on 10 February 2015 and is currently awating decision from Bursa for its listing status.

The Group, as part of the plan to regularize its financial condition has undertaken and undertakes the following measures:

- Disposal of its Chemical Storage Tank in Pasir Gudang for RM12.5 million where the disposal has been completed on 21 April 2014 and part of the proceeds have been utilised to pare down outstanding bank borrowing;
- iii. Disposal of a 2 pieces of lands in Tampoi for RM34 million approved by the shareholders in the general meeting held on 30 January 2014 of which the sale consideration has been fully received on 26 September 2014. The proceeds from the disposal has also been utilised to pay outstanding bank borrowing;
- Disposal of other identified assets in order to further pare down oustanding borrowing and finance its operation;
- iv. Discussion with banks for the proposed settlement arrangement;
- v. Mobilize all available resources towards completion of Solar Farm; and
