As at the date of this Prospectus, we do not have any outstanding warrants, options, convertible debt or uncalled capital.

We only recognise the persons who are registered in our register of members. We will not, except as required by law, recognise any equitable, contingent, future or partial interest in any of our Shares, or any interest in any fractional part of a Share, or (except as otherwise provided by our Articles of Association or by law) other rights for any share other than the absolute right thereto of the registered holder of that Share or of the person whose name is entered in our register of members or entered into the record of depositors for their Shares.

In the event that our Shares are listed on Bursa Securities and for so long as they are listed, we would be required under the Bursa Securities LR to provide Bursa Securities at least ten (10) Market Days' notice or such other timeframe as may be prescribed by Bursa Securities from time to time, before a books closure date. Persons named as the depositors in the record of depositors shall be deemed to be our shareholders on the books closure date and shall be entitled to all rights, benefits, powers and privileges and be subject to all liabilities, duties and obligations in respect of, or arising from our Shares.

19.5 TRANSFER OF SHARES

As long as our Shares are listed on Bursa Securities, there would be no restriction on the transfer of our Shares except where required by law, the Bursa Securities LR, the Rules of Bursa Depository ("Rules") or the Securities Industry Act, 1983.

Our Board of Directors may decline to register any transfer of Shares which are not fully paid-up shares or on which our Company has a lien. A shareholder may transfer its Shares by means of a duly signed instrument of transfer in a form approved by any stock exchange on which it is listed. Our Board of Directors may also decline to register any instrument of transfer unless, among other things, it has been duly stamped and is presented for registration together with the share certificate and such other evidence of title as they may require.

The provisions in our Articles of Association in respect of the arrangements for transfer of our securities and restrictions on their free transferability are as follows (special terms mentioned herein are as defined in our Articles of Association):

Article 26:

The transfer of any listed security or class of listed security of the Company shall be by way of book entry by the Bursa Depository in accordance with the Rules and, notwithstanding Sections 103 and 104 of the Act, but subject to subsection 107C(2) of the Act and any exemption that may be made from compliance with subsection 107C(1) of the Act, the Company shall be precluded from registering and effecting any transfer of the listed securities.

19. DESCRIPTION OF SHARE CAPITAL (Cont'd)

Article 27:

Subject to the provisions of the Act, Central Depositories Act and the Rules, every instrument of transfer shall be in writing and in the prescribed form as approved under the Rules and shall be presented to the Bursa Depository with such evidence (if any) as the Bursa Depository may require, from time to time to prove that the title of the intending transferor and the intended transferee is a qualified person from time to time. There shall be no restriction on the transfer of fully paid securities except where required by law.

Article 28:

If any member fails to pay any call or instalment by the day appointed for the payment of the same, the Directors may at any time thereafter during such time as the call or instalment remains unpaid serve a notice on such member requiring him to pay the same, together with any interest that may have accrued and all expenses that may have been incurred by the Company by reason of such non-payment.

Article 29:

The Bursa Depository may refuse to register any transfer of deposited security that does not comply with the Central Depositories Act and the Rules. Subject to the Act, the Central Depositories Act and the Rules, no share shall in any circumstances be transferred to any infant, bankrupt or person of unsound mind.

Article 30:

- (a) The registration of transfer may be suspended at such times and for such periods as the Directors may from time to time determine, provided always that such registration shall not be suspended for more than thirty (30) days in any year or such number of days as may be prescribed by the Exchange. The Company shall give the Exchange prior written notice and publication in a daily newspaper circulating in Malaysia of the period of the intended suspension or closure and the purposes thereof, which notice shall be in accordance with the requirements of the Exchange. In relation to the closure, the Company shall give written notice in accordance with the Rules to prepare the appropriate Record of Depositors.
- (b) At least three (3) Market Days' prior notice or such other period as may be required by the Exchange, (or, subject to any written laws to the contrary, such other period provided for under the Rules) of any such suspension shall be given to the Bursa Depository to enable the Bursa Depository to prepare the Record of Depositors. Provided that where the Record of Depositors is required in respect of corporate actions, at least seven (7) Market Days' prior notice shall be given to the Bursa Depository.

Article 31:

Neither the Company nor its Directors nor any of its officers shall incur any liability for registering or acting upon a transfer of Transfers shares apparently made by sufficient parties, although the same may, by reason of any fraud or other cause not known to the Company or its Directors or other officers, be legally inoperative or insufficient to pass the property in the shares proposed or professed to be transferred and although the transfer may, as between the transferor and transferee, be liable to be set aside and notwithstanding that the Company may have notice that such instrument of transfer was signed or executed and delivered by the transferor in blank as to the name of the transferee or the particulars of the shares transferred or otherwise in defective manner.

19. DESCRIPTION OF SHARE CAPITAL (Cont'd)

And in every such case, the person registered as transferee, his executors, administrators and assignees alone shall be entitled to be recognised as the holder of such shares and the previous holder shall, so far as the Company is concerned, be deemed to have transferred his whole title thereto.

19.6 GENERAL MEETINGS OF SHAREHOLDERS

We are required to hold an annual general meeting every year. The Board of Directors may convene an extraordinary general meeting whenever they think fit and must do so if shareholders representing not less than 10.0 per centum of the total voting rights of all shareholders request in writing that such meeting be held. In addition, two (2) or more shareholders holding not less than 10.0 per centum of our issued share capital may call a meeting.

Unless otherwise required by law or by our Articles of Association, voting at general meetings is by ordinary resolution, requiring an affirmative vote of a simple majority of the votes cast at that meeting. An ordinary resolution suffices, for example, for the appointment of auditors. A special resolution, requiring the affirmative vote of not less than three fourths of the votes cast at the meeting, is necessary for certain matters under Malaysian law, including:

- (i) voluntary winding-up;
- (ii) amendments to the Memorandum and Articles of Association;
- (iii) a change of the corporate name; and
- (iv) a reduction in the share capital, share premium account or capital redemption reserve fund.

We must give at least 21 days' notice in writing for every general meeting convened for the purpose of passing a special resolution or where it is an annual general meeting. General meetings convened for the purpose of passing an ordinary resolution generally require at least 14 days' notice in writing. The notice must be given to every shareholder who has supplied us with an address in Malaysia for the giving of notices and must set forth the place, the day and the hour of the meeting and, in the case of special business, the general nature of that business.

19. DESCRIPTION OF SHARE CAPITAL (Cont'd)

19.7 VOTING RIGHTS

A shareholder is entitled to attend, speak and vote at any general meeting, in person or by proxy. Proxies may but need not be shareholders. A shareholder may appoint at least one (1) proxy to attend and vote at the same general meeting. As long as our Shares are listed on Bursa Securities, a person who holds Shares through the book-entry settlement system will only be entitled to vote at a general meeting as a shareholder if his name appears on the record of depositors maintained by Bursa Depository obtained for the purpose of determining entitlement to vote at any general meeting, as at a date not less than three (3) Market Days before the general meeting. Except as otherwise provided in our Articles of Association, two (2) shareholders must be present in person or by proxy to constitute a quorum at any general meeting. Under our Articles of Association:

- (i) on a show of hands, every shareholder present in person or by proxy shall have one (1) vote; and
- (ii) on a poll, every shareholder present in person or by proxy shall have one (1) vote for each Share which he holds or represents.

A poll may be demanded in certain circumstances; including:

- (i) by the Chairman of the meeting; or
- (ii) by at least three (3) shareholders present in person or by proxy; or
- (iii) by any shareholder or shareholders present in person or by proxy and representing not less than one-tenth of the total voting rights of all the shareholders having the right to attend and vote at the meeting; or
- (iv) by any shareholder or shareholders holding our Shares conferring a right to vote at the meeting, being Shares on which an aggregate sum has been paid-up equal to not less than one-tenth of the total sum paid-up on all the Shares conferring that right.

In the case of an equality of votes, whether on a show of hands or a poll, the Chairman of the meeting shall be entitled to a second or casting vote.

19.8 DIVIDENDS

We may, by ordinary resolution of the shareholders, declare dividends at a general meeting, but no dividend shall exceed the amount recommended by our Board of Directors.

Dividends must be paid out of profits or pursuant to Section 60 of the Companies Act. All dividends that are paid are pro rata in amount to the shareholders in proportion to the amount paid-up on each shareholder's Shares, unless the rights attaching to an issue of any Share provides otherwise.

Dividends may be paid by cheque which shall be accompanied by a dividend warrant sent through the post to each shareholder at his registered address.

19. DESCRIPTION OF SHARE CAPITAL (Cont'd)

19.9 BONUS ISSUES

Our Board of Directors may, with approval by the shareholders at a general meeting, capitalise any reserves or profits (including profit or monies carried and standing to any reserve or to the share premium account) and distribute the same as bonus shares credited as fully paid-up to the shareholders in proportion to their shareholdings.

19.10 CHANGES IN SHARE CAPITAL AND VARIATION OF RIGHTS

Under our Articles of Association, the rights attached to any class of shares may be varied or abrogated either with the consent in writing of the holders of three fourths of the issued shares of that class or with the sanction of a special resolution passed at a separate general meeting of the holders of the shares of that class. The quorum for such separate general meeting is four (4) persons holding or representing by proxy at least one-third of the issued shares of that class. Any holder of shares of that class may demand a poll and every such holder on a poll shall have one (1) vote for every share of that class held by him.

The provisions in our Articles of Association as to changes in share capital and variation of class rights, which are no less stringent than those required by law, are as follows:

Article 49:

The Company may from time to time, whether all the shares for the time being authorised shall have been issued or all the shares for the time being issued shall have been fully called up or not, by ordinary resolution increase its share capital by the creation and issue of new shares, such new capital to be of such amount and to be divided into shares of such respective amounts and to carry such rights or to be subject to such conditions or restriction in regard to dividend, return of capital or otherwise as the Company by the resolution authorising such increase directs.

Article 50:

Subject to any direction to the contrary that may be given by the Company in general meeting, all new shares or other convertible securities shall, before issue, be offered to such persons as at the date of the offer are entitled to receive notices from the Company of general meetings in proportion as nearly as the circumstances admit, to the amount of the existing shares or securities to which they are entitled. The offer shall be made by notice specifying the number of shares or securities offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of that time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares or securities offered, the Directors may dispose of those shares or securities in such manner as they think most beneficial to the Company. The Directors may likewise also dispose of any new share or security which (by reason of the ratio which the new shares or securities bear to shares or securities held by persons entitled to an offer of new shares or securities) cannot, in the opinion of the Directors, be conveniently offered under this article.

19. DESCRIPTION OF SHARE CAPITAL (Cont'd)

Article 51:

Notwithstanding Article 50, the Company may apply to the Committee of the Bursa Malaysia to waive the convening of extraordinary general meetings to obtain shareholders' approval for further issues of shares (other than bonus or rights issues) where:

- (a) in accordance with the provisions of Section 132D of the Act there is still in effect a resolution approving the issuance of shares by the Company; and
- (b) the aggregate of the shares issued in any one financial year (other than by way of bonus or rights issues) does not exceed ten per centum (10%) of the issued share capital.

Article 52:

Except so far as otherwise provided by the conditions of issue, any capital raised by the creation of new shares shall be considered as part of the original share capital of the Company, and shall be subject to the same provisions with reference to the payment of calls, lien, transfer, transaction, forfeiture and otherwise as the original share capital.

Article 53:

Notwithstanding the existence of a resolution issued pursuant to Section 132D of the Act, the Company shall not issue any shares or Convertible Securities if the nominal value of those shares or Convertible Securities, when aggregated with the nominal value of any such shares or Convertible Securities issued during the preceding twelve (12) months, exceeds ten per centum (10%) of the nominal value of the issued and paid-up capital of the Company, unless shareholders in general meeting have approved of the precise terms and conditions of the proposed issue. In working out the number of shares or Convertible Securities that may be issued by the Company, if the security is a Convertible Security, each such Security is counted as the maximum number of shares into which it can be converted or exercised.

Article 54:

The Company may by ordinary resolution:

- (a) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares; or
- (b) sub-divide its existing shares or any of them into shares of smaller amount that is fixed by the Memorandum of Association subject, nevertheless, to the provisions of the Act and so that as between the resulting shares, one or more of such shares may by the resolution by which such sub-division is effected be given any preference or advantage as regards dividend, capital, voting or otherwise over the others or any other of such shares; or
- (c) cancel any shares not taken or agreed to be taken by any person.

Article 55:

Reduce its capital in any manner authorised by law. The powers conferred by this Article must be exercised by Special Resolution. The Company shall give notice to the Registrar in accordance with the Act of any such alteration in capital.

19. DESCRIPTION OF SHARE CAPITAL (Cont'd)

Article 56:

Whenever the capital (by reason of the issue of preference shares or otherwise) is divided into different classes of shares, all or any of the rights and privileges attached to each class including the repayment of preference capital other than redeemable preference capital, or any other alteration of preference shareholders' rights may (subject to the provisions of the Act) be modified, commuted, affected, abrogated or dealt with by the sanction of a Special Resolution passed at a separate general meeting of the holders of the shares of that class provided always that where the necessary majority for such a Special Resolution is not obtained at the meeting, the consent in writing, if obtained from the holders of three-fourths of the preference capital concerned within two (2) months of the meeting, shall be as valid and effectual as a Special Resolution carried at the meeting. To every such separate general meeting the provisions of these Articles relating to general meetings shall mutatis mutandis apply except that the quorum thereof shall be four (4) persons at least holding or representing by proxy one-third of the issued shares of the class and that any holder of shares of the class present in person or by proxy may demand a poll. This Article is not to derogate from any power which the Company would have had if this Article were omitted.

19.11 TAKEOVERS AND MERGERS

During the last financial year and the current financial year up to the date of this Prospectus, there were no public take-over offers by third parties in respect of our Shares and we did not make any take-over offers in respect of any companies' securities.

19.12 WINDING UP

If our Company is wound up and our assets are available for distribution among our shareholders as such shall be insufficient to repay the whole of our paid-up capital, such assets shall be distributed so that as nearly as may be the losses shall be borne by our shareholders in proportion to the capital paid-up at the commencement of the winding up, on the shares held by them respectively.
