B3. Group's Prospects

We foresee ongoing opportunities for the Group and are confident on building an upward trajectory as the Malaysian economy has grown up from year 2023 as compared to current statistic in year 2024. Progress in new and existing commercial and industrial projects continued to support activity in the non-residential subsector. Growth in the civil engineering and residential subsectors improved but remained subdued.

The Group has been actively and continuously looking out for new opportunities for construction segments. On the construction segment, our Management are actively tendering and negotiating for projects related to earthwork, drainage, roadworks and infrastructure located in West Malaysia.

Buoyed by the success of our Pavilion Residence property development project in strategic location and with affordable price points, the Group plans to continue targeting more projects in residential property. The National Housing Policy (2018 – 2025) is formulated to ensure the adequacy of the housing supply, and fostering safe, healthy and harmonious living environment. In realising this policy, an action plan is being developed to ensure more meaningful parameters are set to strike a balance between median house prices and median income level. With the government incentives and expected economic recovery, we are look forward to maintaining positive outlook for residential property industry.

Barring any unforeseen circumstances, the Board and the Management of the Group are cautiously optimistic on its prospects and sustainability for both segments with the financial capacity to raise funds as and when required through corporate exercises on a new chapter in financial year ending 2025.

B4. Variance Of Profit Forecast

The Group did not announce or disclose any profit forecast or profit guarantee in a public document related to this period.

B5. Income Tax Expense

There was no provision for tax in the current quarter as the subsidiaries of the Group have sufficient unutilised tax losses and unabsorbed capital allowances to set off against any taxable profit.

PART B. EXPLANATORY NOTES PURSUANT TO APPENDIX 9B, PART A OF THE LISTING REQUIREMENTS OF BURSA MALAYSIA SECURITIES BERHAD

B7. Material Litigation (cont'd)

WRIT AND STATEMENT OF CLAIM SERVED ON INFRAHARTA SDN BHD BY CONSORTIUM ZENITH CONSTRUCTION SDN BHD, KUALA LUMPUR HIGH COURT OF MALAYA VIDE SUIT NUMBER: WA-22NCC-535-08/2024 ("SUIT 535")

Suit 535

On 14 August 2024, ISB and Vizione Construction Sdn Bhd ("VCSB") (collectively referred to as the "Defendants") were served with a Sealed Writ of Summons and Statement of Claim filed by CZC vide Suit No. WA-22NCC-535-08/2024 ("Suit 535").

For brief factual context, in August 2018, CZC had sub-contracted a part of the works for the PMRT Project to BCSB. BCSB is an entity that is jointly owned by ISB and VCSB.

By Suit 535, it is alleged that only after ECK Development Sdn Bhd's ("ECK") acquisition of a majority shareholding in CZC that it discovered that CZC incurred costs under suspicious circumstances. CZC alleges that among such costs were payments made by CZC to ISB for works carried out under the PMRT Project. Prior to ECK's acquisition of majority shareholding in CZC, CZC made payments amounting to RM13,121,660.00 ("Funds") to ISB.

Insofar as Suit 535 concerns ISB, CZC claims that: -

- (a) ISB received the Funds wrongfully and are liable to return the same to CZC;
- (b) the transfer of the Funds is tainted with fraud and deceit;
- (c) ISB and VCSB conspired to injure CZC;
- (d) ISB has been unjustly enriched by receipt of the Funds; and
- (e) ISB is a constructive trustee over the Funds and is liable to account to CZC for the same.

The Board of IHB emphasizes that the transfer of the Funds was approved by the then shareholders and Board of Directors of CZC. The Funds were transferred in 2017 to be utilized by ISB for another project. Further, the Funds are unrelated to the PMRT Project as the PMRT Project was only sub-contracted to BCSB in August 2018. In fact, BCSB was only incorporated on 15 August 2018.

The Board of IHB is of the view that the allegations and reliefs sought in Suit 535 against ISB are baseless and intends for ISB to vigorously resist the claim. As of the date of this announcement, there is no material financial and operational impact arising from the Suit 535 on the Group. The potential claims by CZC against the Defendants stated in the announcement dated 15 August 2024 are subject to legal advice.

On 27 August 2024, the High Court gave the following directions:-

- 1. ISB and VCSB are to file their defence on or before 22 October 2024;
- 2. CZC is to file its reply to defence on or before 24 December 2024; and
- 3. Any interlocutory applications (if necessary) are to be filed on or before 31 December 2024.

The next case management is scheduled to proceed on 14 January 2025 via Zoom before Justice Atan Mustaffa Yussof Ahmad.
