Current Quarter

(i) Group

Group revenue increased by RM35.8 million from RM8.1 million in the preceding year corresponding quarter to RM43.9 million in the current quarter from the construction business. As for the fashion retail business, it recorded marginal decrease of revenue of RM0.9 million.

Group profit before tax increased by RM1.5 million in the current quarter recorded at RM1.6 million as compared to preceding year corresponding quarter of RM0.1 million.

The profit after tax for the current quarter is RM0.1 million mainly due to tax provision for the financial year.

The fashion retail, however, recorded a net of tax loss of RM2.4 million in the current quarter compared to preceding year corresponding quarter of RM0.2 million in profit after tax mainly due to higher sales and distribution expenses, depreciation charges and payroll related cost.

(ii) Construction

The construction business achieved a turnover of RM43.9 million which was substantially higher than the preceding year corresponding quarter of RM8.1 million. This was mainly due to the on-going projects progressing with higher value of work done and thus higher progress billings and also commencement of new projects.

Gross profit margin was 8.6% as compared to 12.5% in the preceding year corresponding quarter mainly due to higher profit margin generated from infrastructure project. Profit before tax was recorded at RM1.6 million as compared to RM0.1 million in the preceding year corresponding quarter, despite an impairment loss on receivables of RM1.2 million in current quarter.

During the quarter under review, the construction business has secured two additional contracts with contract values ranging from RM10.0 million to RM21.0 million for infrastructure works at East Coast.

(iii) Fashion Retail

Current quarter fashion retail business revenue achieved RM31.5 million in current quarter compared with RM32.4 million in preceding corresponding quarter with marginal dropped of RM0.9 million; however this segment recorded a loss after tax of RM2.4 million in comparison quarter of profit after tax of RM0.2 million; mainly due to higher sale and distribution expenses, depreciation charges and payroll related cost.

Year-to-date

(i) Group

The Group's revenue for the construction business was RM124.2 million in the current year, an increase of RM97.7 million representing an increase of 368.2% from RM26.5 million in the preceding corresponding year. The discontinued fashion retail business was RM151.8 million in the current year, recorded an increase of RM17.6 million.

The Group profit before tax recorded at RM0.7 million during the year as compared to loss before tax of RM6.3 million in preceding corresponding year mainly due to the higher revenue. With the higher revenue from the construction business, the Group recorded a lower loss after tax at RM0.9 million in the current year as compared to previous corresponding year of RM6.4 million, mainly due to a strong contribution from the construction division of PBT RM5.9million.

(ii) Construction

The construction business segment recorded revenue of RM124.2 million due to higher value of work done of the projects on hand and commencement of new projects despite the termination of SUKE and Gambang project during the year, with a gross profit margin of 7.2%. Profit before tax was RM5.9 million in current year as compared to loss before tax of RM1.7 million recorded in the preceding corresponding year. This better result was achieved due to higher volume of progress work done and work commencement for a few contracts secured in the current financial year.

(iii) Fashion Retail

The discontinued business recorded an increase revenue from RM134.2 million to RM151.8 million. . The loss after tax of the fashion retail was RM4.3 million in the current year as compared to previous corresponding period recorded profit after tax of RM1.9 million mainly due to lower pricing which increased sales volume, higher sale and distribution expenses, depreciation, inventory written down and payroll related expenses in the current year.

The Group recorded the construction revenue of RM43.9 million in the current quarter, representing a increase of 105% or RM22.6 million over the immediate preceding quarter. The increase was mainly due to the completion of two projects in Q4. As for the fashion retail, achieved a revenue RM31.5 million with marginal drop of RM0.3 million.

The gross profit margin for construction for the current quarter was 8.6% as compared to immediate preceding quarter of 9.4% mainly due to higher profit margin achieved for one of the special roofing job in spite of lower revenue in the immediate preceding quarter.

The higher profit before tax in current quarter of RM1.6 million as compared to RM0.6 million in the immediate preceding quarter mainly due to higher revenue in Q5. The Group's current quarter profit after tax was RM0.1 million as compared to profit after tax of RM0.6 million in the immediate preceding quarter.

The loss after tax of the fashion retail was RM2.4 million in the current quarter as compared to previous corresponding period quarter of RM0.3 million mainly due to inventory written down and payroll related expenses in the current year.

B3. Group's Prospects For Financial Year Ending 31 March 2019

In view of the increasingly tough business conditions and environment in the retail fashion business, the Group has on 18 February 2019 obtained approval from its shareholders to disposed 60% equity interest in Kumpulan Voir Sdn Bhd ("KVSB") for a total cash consideration of approximately RM32.62 million, to alleviate the financial burden of the Group in terms of earnings, gearing and to redirect the utilisation of resources to improve the returns to shareholders.

The Group's construction arm, Vertice Construction Sdn Bhd, through its wholly-owned subsidiary, Buildmarque Construction Sdn Bhd, was awarded a contract worth RM815 million for the construction of a by-pass from Bandar Baru Ayer Hitam connecting to Lebuhraya Tun Dr Lim Chong Eu (Package 2 of the Penang Mega Infrastructure Project) ("PMIP") in August 2018. The project is targeted to commence construction on 1 September 2019 and it is expected to contribute positively to the financials of the Group.

The Group will continue with its diversification into infrastructure and property investment to provide additional streams of earnings which is expected to enhance the Group's profitability and returns on shareholders' funds.
