#### **B1. REVIEW OF PERFORMANCE**

For the current quarter under review, the Group registered a revenue of RM2.382 million versus RM1.322 million recorded in the Third Quarter of the previous financial year, an improvement of 80.2%. Net loss during the quarter increased to RM3.379 million, compared to RM0.811 million during the corresponding period last year which was mainly due to payment of professional and consultancy fees for corporate exercise.

The rise in revenue during the quarter was mainly attributable to the contribution from the new investment, Intra Magnum Sdn Bhd ("IMSB"), which recorded a revenue of RM1.498 million during the quarter under review. The balance was contributed from the sales of bottled drinking water.

# B2. MATERIAL CHANGES IN LOSS BEFORE TAXATION AGAINST THE IMMEDIATE PRECEDING OUARTER

For the current quarter under review, Group revenue decreased by 11.6% to RM2.382 million vis-à-vis RM2.696 million recorded during the preceding quarter, despite contribution from IMSB. The drop in revenue was a consequent to the lower bottled drinking water output due to capacity constraint following some breakdown in certain sections of the plant and machineries. Nonetheless, the situation is being rectified with the on-going upkeeping, services and maintenance efforts. Loss After Taxation was higher at RM3.379 million, compared to RM1.383 million previously due to the payments of professional and consultancy fees pertaining to the corporate exercise.

### **B3. CURRENT PROSPECTS**

The repair and maintenance works on the plant and machineries which was embarked since early 2017 will continue into the rest of the financial year. It will also involve replacement of certain obsolete and unusable equipment. These improvements will ensure the readiness of the bottled drinking water factory to meet higher production volume.

With IMSB's positive contributions in both the revenue and profitability, the Board is confident that the hospitality segment will play a more significant role in the future and support overall growth path of the Group.

There was no profit forecast for the period under review was required.
