Interim Report for the 1st Quarter Ended 30 September 2019 (The figures have not been audited)

#### A. Explanatory Notes

#### A1. Basis of Preparation and Significant Accounting Policies

The interim financial statements were unaudited and have been prepared in accordance with MFRS 134 - Interim Financial Reporting and paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad.

The report should be read in conjunction with the audited financial statements of the Group for the financial year ended 30 June 2019. The explanatory notes attached to the interim financial report provide an explanation of events and transactions that are significant for an understanding of the changes in the financial position and performance of the Group since the financial year ended 30 June 2019.

The significant accounting policies applied are consistent with those adopted for the audited financial statements for the year ended 30 June 2019 except for the adoption of the following new MFRSs, Amendments and Interpretations to the MFRSs issued by MASB and IC interpretations that are applicable to the Group's financial year beginning on 1 July 2019:

| MFRS 16                | Leases  |
|------------------------|---|
| Amendments to MFRS 9   | Prepayment Features with Negative Compensation          |
| Amendments to MFRS 128 | Long-term Interests in Associates and Joint Ventures    |
| Amendments to MFRS 3   | Annual Improvements to MFRS Standards 2015 - 2017 Cycle |
| Amendments to MFRS 11  | Annual Improvements to MFRS Standards 2015 - 2017 Cycle |
| Amendments to MFRS 112 | Annual Improvements to MFRS Standards 2015 - 2017 Cycle |
| Amendments to MFRS 123 | Annual Improvements to MFRS Standards 2015 - 2017 Cycle |
| Amendments to MFRS 119 | Plan Amendment, Curtailment or Settlement               |
| IC Interpretation 23   | Uncertainty over Income Tax Treatments                  |

The adoption of the above new MFRS, Amendments and IC interpretation did not have any material impact on the interim financial report of the Group except for the followings:

#### MFRS 16 Leases

MFRS 16 Leases supersedes MFRS 117 Leases and the related interpretations. MFRS 16 introduces a single accounting model, requiring lessee to recognises the right-of-use of underlying lease asset and the lease liability representing future lease payments in the statements of financial position. The right-of-use asset is depreciated in accordance with the principles in MFRS 116 Property, Plant and Equipment and the lease liability is accreted over time with interest expense recognised in the statement of comprehensive income. Lessors continue to classify all leases as either operating leases or finance leases using similar principles in MFRS 117.

The Group has adopted MFRS 16 using the modified retrospectively method of adoption with date of initial application of 1 July 2019 and has not restated comparatives for the 2019 reporting period, as permitted under the standard. The reclassifications and adjustments arising from MFRS 16 are therefore recognised in the opening balance of statement of financial position as at 1 July 2019.

The Group also elected to use recognition exemption for short term leases with lease terms of 12 months or less from dates of commencement and leases for which the underlying assets are of low value.

The effects of adoption of MFRS 16 as at 1 July 2019 as follows:-

|                      |            | Effect on   |          |
