The Company had proposed a debt restructuring scheme under Section 176(10) of the Companies Act, 1965. The Company and all its subsidiaries obtained a Restraining Order on 22 July 2009 for 90 days under Section 176(10) Companies Act, 1965 for the purpose of finalising the scheme. The Restraining Order has been renewed by the High Court several times and is currently valid until 14 December 2013. A3. Auditors' Report on Preceding Annual Financial Statements (cont'd)

On 24 July 2012, Bursa Malaysia Securities Berhad approved the Company's regularisation plan for the reasons explained in Note 28(a)(iii) of the Notes to the Financial Statements. The significant issues in the regularisation plan includes amongst others, the private placement of 17,000,000 new VTI Vintage Berhad shares and the issue of a Renounceable Rights Issue of 36,497,200 new VTI Vintage Berhad shares together with 18,248,600 free detachable warrants.

In addition, the Board of Directors of the Company has also decided to undertake a Proposed Exemption (as defined within), pursuant to the revised allocations of the Proposed Private Placement and Proposed Rights Issue.

The preparation of the financial statements of the Group and the Company on a going concern basis is significantly dependant on the outcome of the Group's regularisation plan, these conditions indicate the existence of a material uncertainty which may cast significant doubt about the Group's and the Company's ability to continue as going concern and therefore, may be unable to realise their assets and discharge their liabilities in the normal course of business. The continuation of the Company as going concern is dependent upon the Group's and the Company's ability to operate profitably in the foreseeable future.

Similarly, the auditors' report of subsidiary companies, Vintage Tiles Industries Sdn Bhd, Vintage Roofing & Construction Sdn Bhd, Vintage Tiles Industries (EM) Sdn Bhd and Tirai Impresif Sdn Bhd have also been qualified in respect of the going concern basis.

The auditors' reports of another subsidiary company, Newsteel Building Systems Sdn Bhd, contain an emphasis of matter relating to the appropriateness of the going concern basis of accounting used in the preparation of their financial statements.
