#### SECTION A - NOTES TO THE INTERIM FINANCIAL REPORT

#### A1. Basis of Preparation

The interim financial report is unaudited and has been prepared in accordance with the requirement of MFRS 134: Interim Financial Reporting and paragraph 9.22 and Appendix 9B of the Listing Requirements of Bursa Malaysia Securities Board.

The interim financial report should be read in conjunction with the audited financial statements of the Group for the financial year ended 31<sup>st</sup> December 2011.

These explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 31<sup>st</sup> December 2011.

## A2. Adoption of New/Revised Financial Reporting Standards

These condensed interim financial statements are the Group's first MFRS condensed interim financial statements for the part of the period covered by the Group's first MFRS annual financial statements for the year ending 31 December 2012. MFRS 1 First-time Adoption of Malaysian Financial Reporting Standards (MFRS 1) has been applied.

The transition from FRS to MRFS does not have any material impact on the interim financial statements of the Group.

The audited financial statements of the Group for the year ended 31 December 2011 were prepared in accordance with FRS. Except for certain differences, the requirements under FRS and MFRS are similar. The significant accounting policies adopted in preparing these condensed interim financial statements are consistent with those of the audited financial statements for the year ended 31 December 2011.

As at 30 September 2012, the following MFRS were in issue but not yet effective and have not been applied by the Group:

The auditors' report on the financial statements for the financial year ended 31st December 2011 was not qualified.

#### A4. Seasonal or Cyclical Factors

The operations of the Group during the quarter have not been affected by any material seasonal or cyclical factors.

#### A5. Unusual Items due to their Nature, Size or Incidence

There were no unusual items affecting assets, liabilities, equity, net income or cash flows during the current quarter under review because of their nature, size or incidence.

### A6. Changes in Estimates

There were no changes in estimates of amounts reported in prior financial year/quarter which have a material effect in the current quarter results.

#### A7. Debt and Equity Securities

There have been no issuance and repayment of debt and equity securities, share buy-backs, share cancellation, shares held as treasure shares and resale of treasury shares during the current quarter under review.

#### A8. Dividends Paid

No interim dividend has been paid or declared during the current quarter under review.

#### A9. Segmental Reporting

No other segmental information such as segment assets, segment liabilities and segment results is presented as the Group is principally involved in the dimension stone industry and operates from Malaysia only.

#### A10. Valuation of Property, Plant and Equipment

The valuation of property, plant and equipment has been brought forward without amendment from the previous annual financial statements.

The Group did not carry out any valuation on its property, plant and equipment during the current quarter.

#### A11. Changes in Composition of the Group

There were no other changes in the composition of the Group during the current quarter under review.

#### A12. Changes in Contingent Liabilities and Contingent Assets

#### A15. Material events subsequent to the end of the current financial period

In the opinion of the Directors, there are no items, transactions or events of a material and unusual nature which have arisen from 31 December 2012 to the date of this announcement, which would substantially affect the financial results of the Group for the current quarter/period to date.

# SECTION B - ADDITIONAL INFORMATION REQUIRED BY BURSA MALAYSIA'S LISTING REQUIREMENTS

#### B1. Review of Performance of the Company and its Principal Subsidiaries

For the current quarter under review, the Group revenue was lower by RM0.113 million (7.1%) compared to the corresponding quarter last year mainly due to lower retail sales and revenue from projects. The Group incurred a loss before taxation of RM 1.175 million for the current quarter compared to a loss before taxation of RM2.655 million in the corresponding period last year mainly due to reduction of operating expenses.

## B2. Variation of Results Against Preceding Quarter

Group revenue for the current quarter of RM 1.478 million was lower by RM 0.467 million (24%) compared to RM 1.945 million in the preceding quarter, mainly due to decrease in the demand from local and oversea customers for the Group's products. Loss before taxation for current quarter is RM 1.175 million compared to loss of RM 2.023 million in the preceding quarter. This is mainly due to over provision of project costs.

#### **B3.** Prospects Commentary

In view of the current competitive market conditions, particularly cheaper imports from China, the Group's prospects remain very challenging.

#### **B4.** Profit Forecast and Profit Guarantee

The Group has not issued any profit forecast to the public and has not given any profit guarantee for the financial period.

## B5. <u>Taxation</u>

No provision for current taxation has been made in the financial statements of the Group due to tax loss in the financial period ended 31 December 2012.

## B6. Status of Corporate Proposal Announced

There were no corporate proposals during the current quarter under review.

#### B7. Group Borrowings

The Group borrowings as at the end of the reporting quarter are as follows:

	Total Outstanding	Repayable within 12 months	Repayable after 12 months
Secured Bank overdraft	RM'000 8,998	RM'000 8.998	RM*000
Bills payable	9,233 18,231	9,233 18,231	

The group borrowings are with a local financial institution and denominated in Ringgit Malaysia.

#### B8. Material Litigation

The Group is not involved in any material litigation as at the date of this interim financial report, which has a material effect on the financial position of the Group.

#### B9. Dividend Payable

No interim dividend has been declared as at the date of this interim financial report.

## B10. Basic and Fully diluted Earnings per Share

The calculation of basic earnings per share is based on the consolidated loss after taxation and minority interest for the current quarter/period to date of RM 1.175 million/RM 7.199 million divided by the weighted average number of 98,877,380 shares (31 December 2011: RM2.655/RM3.997 million and 98,877,380 shares).

The calculation of fully diluted earnings per share is based on the consolidated loss after taxation and minority interest for the current quarter/period to date of RM 1.175 million/RM 7.199 million divided by the adjusted weighted average number of 98,877,380 shares (31 December 2011: RM2.655 million/RM3.997 million and 98,877,380 shares).
