The Group will be applying the Malaysian Financial Reporting Standards Framework for the annual period beginning on or after 1 January 2018. Therefore, the Group will not be adopting the above FRS, Interpretations and Amendments to FRSs.

On 30 November 2017, MASB issued notice of withdrawal of FRSs for the application on financial statements with annual reporting period beginning on or after 1 January 2018. Therefore, the Group has decided to adopt the MFRS Framework effective 1 January 2018.

In preparing the first MFRS financial statements in accordance with MFRS 1 'First-time Adoption of Malaysian Financial Reporting Standards' ("MFRS 1"), adjustments will be made to the financial statements of the Group for the previous financial year to ensure the comparative financial information in the first MFRS financial statements is comparable. Accordingly, the financial performance and financial position of the Group as presented in these financial statements could be different if prepared in accordance with MFRS. The adjustments required on transition are expected to be made retrospectively other than those exempted under MFRS 1.

The Group is currently assessing the impact of adopting MFRS 1, including the identification of the differences in the existing accounting policies as compared to the MFRSs and the use of optional exemptions as provided for in MFRS 1. As at the date of authorisation of issue of the financial statements, accounting policy decisions or elections have not been finalised. Thus, the potential impact of the application of MFRS 1 cannot be determined and estimated reliably

Under the agreement, the State Government of Sabah granted permission to the Company to plant, rehabilitate and harvest forests in the sustainable forest management concession area.

However, the valuation was held up due to the revised FMP is pending approval from the forestry department. Once it is completed, the valuation process will be continued.
