NOTES TO THE QUARTERLY REPORT

PART A - EXPLANATORY NOTES PURSUANT TO FRS134

1. Basis of Preparation and Significant Accounting Policies

The interim financial statements are unaudited and have been prepared in accordance with the requirements of FRS 134 : Interim Financial Reporting and paragraph 9.22 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Malaysia"), and should be read in conjunction with the audited financial statements of the Company for the financial year ended 31 December 2009.

The same accounting policies and methods of computation are adopted in the interim financial statements as those used in the preparation of the most recent annual financial statements for the year ended 31 December 2009.

2. Changes in Accounting Policies

The significant accounting policies and methods of computation adopted in the interim financial statements are consistent with those used in the preparation of the most recent annual financial statements for the year ended 31 December 2009 except for the adoption of the following applicable new/revised Financial Reporting Standards ("FRS") and IC Interpretation effective for financial year beginning 1 January 2010:

Effective for financial periods beginning on or after 1 January 2011

Amendments to FRS 7 Improving Disclosure about Financial Instruments

The above new FRSs and Interpretations are expected to have no significant impact on the financial statement of the Company upon their initial adoption.

3. Seasonal or Cyclical Factors

The operations of the Company for the financial period under review had not been materially affected by any seasonal or cyclical factors.

4. Unusual Items

There were no items during this quarter affecting assets, liabilities, equity, net income, or cash flows that are unusual because of their nature, size, or incidence.

5. Changes in Estimates

There were no changes in estimates of amounts reported in prior quarter of the current or prior financial year which have a material effect in the current quarter results.

6. Debt and Equity Securities

There were no share buy-backs, share cancellations, shares held as treasury shares and resale of treasury shares, issuance, cancellation, repurchase, resale and repayment of debt and equity securities for the current quarter and financial year-to-date.

7. Dividends Paid

No dividend was paid during the quarter under review.

8. Segmental Analysis

There is no segmental analysis prepared as the Company is principally engaged in the manufacturing of printed and laminated flexible light packaging materials and the operations are predominantly carried out in Malaysia.

9. Valuations of Property, Plant and Equipment

The valuation of property, plant and equipment has been brought forward without amendment from the previous annual financial statements.

10. Subsequent Events

On 11 July 2010, a fire had occurred at the curing room of the main production block located at Lot 3, Jalan Kuchai Lama, 58200 Kuala Lumpur, Malaysia.

The damage and consequential loss are adequately covered by insurance. There was no physical injury to any personnel.

As a result of the fire, there was a temporary disruption in the production operation. However, the main production processes have resumed operation on 5 August 2010 after immediate restoration works were carried out and the management expects reconstruction of the fire damaged area to be completed by the end of the year.

11. Changes in the Composition of the Company

There were no changes in the composition of the Company for the current quarter and financial year-to-date.

12. Contingent Liability

There were no contingent liabilities as at the date of this quarterly report.

13. Capital Commitments

There were no capital commitments as at the date of this quarterly report.

NOTES TO THE QUARTERLY REPORT

PART B - EXPLANATORY NOTES PURSUANT TO APPENDIX 9B (PART A) OF THE LISTING REQUIREMENTS OF BURSA MALAYSIA

14. Performance Review

Turnover for the quarter under review was higher at RM18.7 million as against RM15.3 million in the previous corresponding quarter. However, the Company registered a pre-tax loss of RM0.716 million during the quarter as against a pre-tax profit of RM0.875 million in the previous corresponding quarter mainly due to unrealised foreign exchange translation loss

15. Material Changes in Quarterly Results compared to the Results of the Immediate Preceding Quarter

The turnover for the quarter was slightly higher at RM18.7million as against RM16.6 million in the immediate preceding quarter. The Company registered a pre-tax loss of RM0.716 million for the quarter under review as compared to a pre-tax profit of RM0.706 million in the immediate preceding quarter. The pre-tax loss recorded was mainly due to increase in raw materials prices that was continuous throughout the current period under review and the unrealised foreign exchange translation loss.

16. Prospect

The Board is of the opinion the next two quarters will be challenging for the Company in view of the competitive environment.

The business interruption caused by the fire incident occurred on 11 July 2010 has been dealt with appropriately as immediate restoration works have been carried out.

17. Profit Forecast or Profit Guarantee

There was no profit forecast or profit guarantee for the current quarter and financial year-to-date.

18. Taxation

There is no provision for taxation in the current quarter and current financial year-to-date as the Company have sufficient unabsorbed capital allowances and reinvestment allowance brought forward to set off against its tax liabilities.

19. Profits/(loss) on Sale of Unquoted Investments and/or Properties

There were no sale of unquoted investments and/or properties for the current quarter and financial year-to-date.

20. Quoted Securities

There are no quoted securities nor were there any purchases or disposals of quoted securities for the current quarter and financial year-to-date.
