### **Group**

The Group revenue for the current quarter increased by 25.14% to RM14.84 million as compared to the preceding year quarter ended 31 August 2016. The current quarter registered profit before tax of RM1.83 million as compared to the preceding year quarter's profit before tax of RM0.01 million. This was mainly due to higher sales revenue achieved by its glasswool manufacturing division.

For the current financial year to-date 31 August 2017, the Group achieved revenue of RM26.54 million as compared to preceding year to-date of RM24.90 million. The Group has registered profit before tax of RM0.46 million for the current financial year to-date as compared to the preceding year to-date's profit before tax of RM1.35 million. This was mainly due to plant shutdown for equipment upgrades by its glasswool manufacturing division in the first quarter of current financial year.

#### Fibre glasswool and related products segment

The revenue for the current quarter has increased by 24.38% to RM14.75 million as compared to the preceding year quarter ended 31 August 2016. The current quarter registered a profit before tax of RM2.00 million as compared to the preceding year quarter's profit before tax of RM0.19 million. This was mainly due to higher sales revenue achieved.

#### 3. Prospects for the Current Financial Year (Cont'd)

The Group is focusing on expanding its export market in line with the improvement of production output. In order to achieve that, we will intensify our efforts to work with strategic partners in targeted countries to promote our brands.

On the local front, the property development industry is expected to be dampened by weak market sentiment. Domestic sales is expected to be slower this year as compared to previous year. However, long term demand for insulation is expected to increase consistently, albeit slowly, in tandem with the housing demand and increasing awareness of the importance insulation in energy efficiency.
