#### Current quarter review

For the current financial quarter ended 31 October 2020, the Group achieved revenue of RM156.7 million, an increase of 2.7% compared to RM152.6 million recorded in the preceding year corresponding quarter. The increase was mainly due to better sales achieved from domestic market, which made up to RM88.5 million or 56.5% of group revenue. Exports made up the balance RM68.2 million or 43.5% of group revenue.

In line with the higher sales recorded in the current financial quarter under review, the Group's operating profit was RM17.6 million, an increase of 6.7% compared to RM16.5 million recorded in the preceding year corresponding quarter.

# B2 Variations of the quarterly results as compared to the results of the preceding quarter

# B3 Current financial year prospects

The Group remains focused to strengthen its reputation as a key supplier of innovative and sustainable flexible plastic packaging (FPP) solutions as it continues to expand its markets within the Southeast Asia and Oceania regions. Demand for its products, deemed as essential components in the essential food and beverages packaging supply chain, has remained relatively strong for the period under review.

As part of its longer term strategy to enhance its overall competitiveness, the Group has embarked on a capacity expansion with recent acquisitions of new printing, lamination and bagging machines to boost its production efficiency and capabilities. This expansion initiative, which commenced in financial year 2020, remains on track and will provide a boost to the Group's ability to address its customers' specific needs.

The Group has also been in numerous active engagements and undertaken many developments jointly with its customers and Scientex Group. These developments, include packaging solutions in the form of polypropylene (PP) based mono-material laminates which are fully recycleable solutions and have major applications in the food and beverage packaging segment with diverse product applications such as outerpacks, pouches, sachets and stickpacks, amongst others. The Group expects growing demand for its innovative yet environmental-friendly products with the increase in adoption of sustainable FPP solutions.

The Group remains cautiously optimistic that the current financial year would remain positive driven by the resilient demand for its innovative and sustainable FPP solutions.

#### B4 Variations of actual profit from forecast profit

This note is not applicable as the Group did not issue and publish any profit forecast for the current financial quarter under review.
