15. PERFORMANCE REVIEW

Despite the lower revenue of RM34.87million in the current year to date as compared to the RM36.87million in the previous year corresponding period, the Group had achieved a profit before tax of RM1.29 million in the current year to date as compared to a loss before tax of RM0.14 million in the preceding year corresponding period. This was mainly contributed by a higher profit margin due to savings in production overhead resulted from a better cost control and an improvement in production planning.

16. VARIATIONS OF CURRENT QUARTER RESULTS AGAINST PRECEDING QUARTER

The decrease of profit before taxation in the current quarter of RM532,000 as compared to a profit before taxation of RM756,000 for the immediate preceding quarter was mainly caused by more advertising and promotional activities carried out to mitigate the impact of the current global financial crisis.
