

**HWA TAI INDUSTRIES BERHAD(Company No.:19688-V)
INTERIM FINANCIAL REPORT FOR THE YEAR ENDED 30 JUNE 2011**

A. NOTES TO INTERIM FINANCIAL REPORT

1. BASIS OF PREPARATION

The interim financial report has been prepared in accordance with FRS 134: Interim Financial Reporting and paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad.

The condensed interim financial statements should be read in conjunction with the audited financial statements of the Group for the year ended 31 December 2010. These explanatory notes attached to the condensed interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 31 December 2010.

2. CHANGES IN ACCOUNTING POLICIES

The significant accounting policies and methods of computation adopted for the interim financial statements are consistent with those adopted for the audited financial statement for the financial year ended 31 December 2010 except for the adoption of new and revised FRSs, amendments to FRSs and Interpretations as listed in the audited financial statements for the financial year ended 31 December 2010 which were effective for the financial periods beginning on or after 1 January 2011.

The adoption of these standards, amendments and interpretations have no material impact to these financial statements except for the adoption of the following standards:-

(a) FRS 8: Operating Segments

FRS requires identification and reporting of operating segments based on internal reports that are regularly reviewed by the entity's chief operating decision maker in order to allocate resources to the segment and to assess its performance. The Group presents its segment information based on its business segments, which is also the basis of presenting its monthly internal management reports. The basis of measurement of segment results, segment assets and segment liabilities are same as the basis of measurement for external reporting. This FRS does not have any impact on financial position and results of the Group.

(b) FRS 101: Presentation of Financial Statements

FRS 101 requires all changes in equity arising from transactions with owners in their capacity as owners (i.e owner changes in equity) to be presented separately from non-owner changes in equity. All non-owner changes in equity (i.e comprehensive income) are required to be presented in the statement of comprehensive income. This FRS does not have any impact on financial position and results of the Group.

(c) FRS 139: Financial Instruments: Recognition and Measurement

This standard established principles for recognizing and measuring financial assets, financial liabilities and some contracts to buy and sell non-financial items and permits hedge accounting only under strict circumstances. In accordance with the requirement of this standard, forward foreign currency exchange contracts of the Group have been measured at fair value and the changes in the fair value are recognized in profit or loss. The change in accounting policy is to be accounted for prospectively in accordance with the transitional provision of FRS139. This FRS does not have any significant impact on financial position and results of the Group.
