## NOTES TO INTERIM FINANCIAL REPORT FINANCIAL QUARTER ENDED 31 DECEMBER 2013

## 1. Basis of Preparation

The interim financial report is unaudited and has been prepared in accordance with MFRS 134: Interim Financial Reporting and Paragraph 9.22 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

The preparation of an interim financial report in conformity with MFRS 134: Interim Financial Reporting, requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses on a year-to-date basis. Actual results may differ from these estimates.

The interim financial report should be read in conjunction with the audited financial statements for the financial period ended 30 June 2013. It contains unaudited condensed consolidated financial statements and selected explanatory notes. The notes include an explanation of events and transactions that are significant to the understanding of the changes in the financial position and performance of the Group since the financial period ended 30 June 2013. The condensed consolidated interim financial report and notes thereon do not include all of the information required for a full set of financial statements prepared in accordance with MFRSs.

#### 2. Changes in Accounting Policies

The significant accounting policies adopted are consistent with those in the audited financial statements for the financial year ended 30 June 2013, except for the adoption of the following MFRSs, IC Interpretations and Amendments to MFRSs with effect from 1 January 2013:

#### 13. Changes in Contingent Liabilities and Contingent Assets

The Group has no contingent liabilities or contingent assets since the end of the last financial period.

#### 14. Capital Commitments

The Group has no capital commitments as at the end of the current financial quarter.

#### 15. Performance Review

For the quarter under review, The Group registered consolidated revenue and profit after tax ("PAT") of RM5.50 million and RM0.47 million respectively as compared to a revenue of RM6.52 million and PAT of RM0.25 million in the preceding year's corresponding quarter. The Group recorded lower revenue in the current quarter mainly due to the decrease in business activities in its timber division. The higher PAT recorded in the current quarter was mainly contributed by the improvement of profit margin in timber division.

The timber division recorded revenue of RM2.98 million, a decrease of 32.7% from RM4.43 million recorded in the preceding year's corresponding quarter. The decrease in revenue was mainly due to the lower log trading activities as compared to the preceding year's corresponding quarter. However, timber division was able to record a profit before tax ("PBT") of RM0.52 million as compared to loss before tax ("LBT") of RM0.47 million in the preceding year's corresponding quarter. The improvement in profit was mainly due to the better profit margin achieved in the current quarter.

The precast concrete division recorded revenue of RM2.52 million as compared to RM2.10 million recorded in the preceding year's corresponding quarter. This was mainly due to the higher workdone during the current financial quarter. However, the division recorded a lower PBT of RM0.04 million as compared to the PBT of RM0.06 million in the preceding year's corresponding quarter due to the higher preliminary expenses for a new project.

The property division recorded LBT of RM0.03 million. There was no revenue recognized in this division as the property project is at its initial stage. The loss recorded in this division was mainly due to the preliminary expenses and finance charges incurred during the quarter under review

## 16. Comparison of Results with Preceding Quarter

For the quarter under review, The Group registered consolidated revenue and PAT of RM5.50 million and RM0.47 million respectively as compared to a revenue of RM7.31 million and PAT of RM0.52 million in the preceding quarter.

The timber division recorded revenue of RM2.98 million, a decrease of 28.4% from RM4.16 million recorded in the preceding quarter. However, this division was able to record a higher PAT of RM0.52 million as compared to the PAT of RM0.03 million recorded in the preceding quarter mainly contributed by the higher profit margin achieved in the current quarter.

The precast concrete division recorded revenue of RM2.52 million, a decrease of 20.0% from RM3.15 million recorded in the preceding quarter. This was mainly due to the lower workdone during the current financial quarter. The division recorded a PBT of RM0.04 million as compared to the PBT of RM0.25 million in the preceding quarter due to the higher preliminary expenses for a new project.

The property division recorded LBT of RM0.03 million as compared to LBT of RM0.05 million recorded in the preceding quarter. There was no revenue recognized in this division as the property project is at its initial stage. The loss recorded in this division was mainly due to the preliminary expenses and finance charges incurred during the quarter under review.

## 17. Commentary on Prospects

The performance of the Group's timber division was adversely affected by the lower logging activities due to the delay in obtaining logging permit. The Group is continuously review its product mix in its downstream activities and planning to diversify its downstream products.

The Group's precast concrete division continuously receiving encouraging orders from customers even though the current quarter results were affected by lower percentage of workdone. On the long term strategy planning, the Group is focusing to increase its order book and plant ultilisation. This division is expected to contribute positively to the Group in the future.

The Group is currently conducted preliminary works for its property projects in Ipoh. The property division is expected to be another source of income for the Group in the future.

Given the above circumstances and measures taken by the Group, the Board is fairly confident the Group's performance will be improved in the near term.
