FRS 138	Intangible Assets

The adoption of the abovementioned pronouncements will have no significant impact to the financial statements of the Group.

Malaysian Financial Reporting Standards (MFRS Framework)

On 19 November 2011, the Malaysian Accounting Standards Board (MASB) issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards (MFRS Framework).

The MFRS Framework is to be applied by all Entities Other Than Private Entities for annual periods beginning on or after 1 January 2012, with the exception of entities that are within the scope of MFRS 141 Agriculture (MFRS 141) and IC Interpretation 15 Agreements for Construction of Real Estate (IC 15), including its parent, significant investor and venture (herein called "Transitioning Entities").

Transitioning Entities will be allowed to defer adoption of the new MFRS Framework to 1 January 2015. Consequently, adoption of the MFRS Framework by Transitioning Entities will be mandatory for annual periods beginning on or after 1 January 2015.

On 2 September 2014, the MASB has announced that Transitioning Entities shall be required to apply the MFRS Framework for annual periods beginning on or after 1 January 2017.

Furthermore, on 8 September 2015, the MASB has announced that the effective date for the Transitioning Entities to apply the MFRS Framework will be deferred to 1 January 2018.

The Group falls within the scope of definition of Transitioning Entities and has opted to defer adoption of the new MFRS Framework. Accordingly, the Group will prepare its first MFRSs financial statements using the MFRSs Framework for the financial year ending 31 March 2019.

PART B : EXPLANATORY NOTES PURSUANT TO APPENDIX 9B OF THE LISTING REQUIREMENTS OF BURSA MALAYSIA SECURITIES BERHAD

B1. Review of performance

For the 9 months ended 31 December 2016, the Group has registered higher revenue of RM110.5 million as compared to the preceding year corresponding period of RM96.8 million. The Group has recorded lower profit before taxation of RM18.4 million as compared to the preceding year corresponding period of RM38.1 million. The revenue has increased by RM13.7 million for the financial period ended 31 December 2016 was mainly due to higher revenue recorded from construction segment. The lower profit before taxation was due to poor performance from property development sector.

The further analysis of performance of each business segment for 9 months ended 31 December 2016 is as follows:

Civil engineering & construction

The segment recorded RM47.8 million in external revenue for the financial period ended 31 December 2016 as compared to the preceding year corresponding period of RM15.9 million. The profit before taxation recorded RM3.2 million for the financial period ended 31 December 2016 as compared to the preceding year corresponding period of RM8.2 million. The higher revenue was mainly due to the contribution from construction contract. The lower profit before taxation was due to lower profit margin from various construction contracts.

Property development

The segment recorded RM28.2 million in revenue for the financial period ended 31 December 2016 as compared to the preceding year corresponding period of RM45.7 million. The profit before taxation recorded RM4.4 million as compared to the preceding year corresponding period of RM14.5 million. The decrease in revenue and profit before taxation were due to lower sales of properties.

Property investment & investment holding

The segment recorded RM10.8 million in revenue for the financial period ended 31 December 2016 as compared to the preceding year corresponding period of RM11.2 million. The profit before taxation of RM4.4 million recorded for the financial period ended 31 December 2016 was lower when compared to the preceding year corresponding period of RM5 million. The higher profit before taxation in preceding year corresponding period was mainly due to unrealised gain on foreign exchange.

Water supply & services

The revenue of the segment recorded RM23.8 million for the financial period ended 31 December 2016 as compared to the preceding year corresponding period of RM24 million. The decrease was due to the movement in the exchange rate. The profit before taxation has decreased by RM1.8 million, from RM10.5 million in preceding year corresponding period to RM8.7 million for the financial period ended 31 December 2016. The decrease in profit before taxation was mainly due to decrease in interest income.

B2. Comparison with preceding quarter results

The Group recorded profit before taxation of RM7.2 million for the current quarter as compared to the preceding quarter of RM4 million. The increase in profit before taxation was mainly due to better contribution from property development segment.

B3. Prospects

The on-going construction works will contribute positively to the performance of the Group for the financial year ending 31 March 2017. The property market is expected to improve for the remaining financial year ending 31 March 2017. It is expected that there will be stable revenue and profit derived from water supply and services sector. For the property investment and investment holding sector, the rental receivable in Kepong Brem Mall is expected to continue contribute positively to the results of the Group.
