NOTES TO THE ACCOUNTS FOR THE PERIOD ENDED 31 MARCH 2019

(The figures have not been audited)

PART A - EXPLANATORY NOTES

1 Basis of Preparation

The interim financial statements are unaudited and have been prepared in accordance with Malaysian Financial Reporting Standard ("MFRS") 134, Interim Financial Reporting and paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Securities").

The interim financial statements should be read in conjunction with the audited financial statements of the Group for the financial year ended 30 June 2018. These explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 30 June 2018.

2 Accounting Policies

The accounting policies and methods of computation adopted by the Group in this interim financial statements are consistent with those adopted in the audited financial statements for the financial year ended 30 June 2018 except for the adoption of the follwing new MFRSs, amendments to MFRSs and IC Interpretations that are effective for financial statements effective begining on or after 1 January 2018, as disclose below:

MFRS 9	Financial Instruments (IFRS 9 as issued by IASB in July 2014)
MFRS 15	Revenue from Contracts with Customers
Amendments to MFRS 1	Annual Improvements to MFRS Standards 2014-2016 Cycle
Amendments to MFRS 2	Classification and Measurement of Share-based Payment Transactions
Amendments to MFRS 4	Applying MFRS 9 Financial Instruments with MFRS 4 Insurance Contracts
Amendments to MFRS 128	Annual Improvements to MFRS Standards 2014-2016 Cycle
Amendments to MFRS 140	Transfer of Investment Property
IC Interpretation 22	Foreign Currency Transactions and Advance Consideration

2.1 First-time Adoption of MFRS

(i) Transition from Financial Reporting Standards (FRSs) to MFRS

The Company, in its consolidated financial statements, measured the assets and liabilities of subsidiaries at the same carry amounts as in the financial statements of these subsidiaries that have adopted the MFRS framework or International Financial Reporting Standards (IFRS) earlier than the Company, after adjusting for consolidation adjustments.

The effect of first-time adoption of MFRS are primarily from the following:

MFRS 15 Revenue from Contracts with Customers

The effects of MFRS 15 arise mainly due to the changes to the timing of revenue recognition for the property development activities of the Group. The financial effects are presented in Note 2.1(ii), (iii) and (iv) below.

MFRS 9 Financial Instruments

MFRS 9 introduces the expected credit losses ("ECL") model on impairment that replaces the incurred loss impairment model used in MFRS 139. The ECL model requires impairment to be recognised on initial recognition including expected future credit losses whilst the incurred loss impairment model only requires recognition of credit losses incurred as at reporting date

The assessment of credit risk, as well as the estimation of ECL, are required to be unbiased, probability-weighted and should incorporate all available information which is relevant to the assessment, including information about past events, current conditions and reasonable and supportable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL should also take into account the time value of money.

b) Gain on sale of investment properties - Medan Prestasi Sdn Bhd

Between financial years 2002 and 2004, a wholly owned subsidiary, Medan Prestasi Sdn Bhd ("MPSB") disposed off certain investment properties and filed the necessary forms as required by the Real Property Gains Tax Act, 1976 ("RPGT"). The Inland Revenue Board ("IRB") contended that the gain from the sale should be subject to income tax instead of the Real Property Gains Tax and raised an assessment of about RM12.6 million (inclusive of a penalty of RM3.9 million). MPSB, after due consideration and in consultation with its tax agent, disagreed with the IRB position and appealed against the assessment. The IRB rejected MPSB's appeal and demanded MPSB to pay the outstanding tax and additional penalties amounting to RM14.6 million. In response, MPSB submitted a Notice of Appeal to the Special Commissioners of Income Tax.

Subsequent to the initial appeal to the IRB, the IRB initiated a civil suit against MPSB and served a Writ of Summon and Statement of Claim of RM13.5 million to MPSB. MPSB then filed an application for Stay of Proceedings. On 11 February 2010, the Shah Alam High Court granted a Stay of Proceedings until the final disposal of the appeal before the SCIT. On 5 March 2010, the IRB filed a notice of appeal to the High Court on the decision to grant the Stay of Proceedings. On 16 March 2011, the High Court allowed IRB's appeal. On 15 April 2011, MPSB filed a defense at the High Court against the civil suit.

On 2 June 2009, the IRB forwarded MPSB's appeal to the Special Commissioners of Income Tax ("SCIT") and on 6 May 2011, SCIT dismissed the appeal and MPSB filed an appeal to the High Court on 24 May 2011. Case management was held on 21 November 2011 and the hearing was held on 6 April 2012 and 23 May 2012. The High Court, on 14 September 2012, ordered for a new Hearing to be fixed and determined before a new panel of SCIT. The Hearing which was set on 20 until 22 October 2014, was adjourned to 12 January 2015.

15 Changes in Contingent Liabilities and Contingent Assets (Continued)

b) Gain on sale of investment properties - Medan Prestasi Sdn Bhd (Continued)

On 12 January 2015, the hearing continued with the witnesses giving their evidences in respect of the appeal. On 16 February 2015, MPSB filed a written submission with the SCIT and subsequently filed a submission in reply to IRB's written submission on 6 July 2015. On 7 June 2017, MPSB filed the notes of proceeding with the SCIT and in this regard, the SCIT scheduled an oral submission for both parties on 24 November 2017. The Hearing on 24 November 2017 has been adjourned to 18 December 2017 for the parties to make oral submissions. The SCIT has scheduled the next Hearing on 23 April 2018. On 23 April 2018, MPSB made oral submission on the facts of the case to the SCIT. A Mention was held on 2 May 2018 and the SCIT has fixed a Hearing on 27 August 2018 for the calling of witness. The SCIT has scheduled a case management on 28 August 2018 to fix a new hearing date that was supposed to be heard on 27 August 2018. The hearing has been fixed on 22 February 2019 for the calling of the Appellant's witness and oral submissions. The SCIT has set a date of 10 May 2019 for an oral decision on the above case.

On 10 May 2019, the SCIT opined that since there are no firm evidence to show that the lands were meant for other uses in the future, or that it was intended for the construction of commercial buildings and showrooms for rental income, the Appellant's appeal is dismissed. MPSB maintains the view that the gain from the sale of this investment properties should be subject to RPGT and intended to file an appeal to the High Court against the decision after the service of the SCIT's Deciding Order.

The directors have decided that a provision will not be made for this amount pending review of the SCIT's Deciding Order with the complete grounds of their decision.

c) Gain on sale of investment properties and development costs - Saujana Triangle Sdn Bhd

Saujana Triangle Sdn Bhd ("STSB") a wholly-owned subsidiary of M K Land Holdings Berhad ("M K Land"), was served with Notices of Assessment dated on 4 May 2017 for the years of assessment (YA) of 2009, 2010, 2011 and 2013 respectively, for an additional income tax of RM55,702,224 and 45% penalty of RM25,066,001 totalling RM80,768,225.

The above mentioned income tax and penalty imposed by the Inland Revenue Board of Malaysia ("IRB") are in relation to:

- i) IRB took the view that the gains from the disposal of land held under investment properties in the year of assessment 2009 were to be treated as revenue in nature, instead of capital in nature;
- ii) IRB disregarded the 5 years' time barred period to raise the assessments in respect of the land disposal; and
- iii) IRB disallowed certain development costs on the basis that these were only provisions and the amounts have not been paid. Thus, IRB did not treat them to be incurred for the purpose Section 33 (1) of the Income Tax Act, 1967.

Based on advice from both its tax consultants and solicitors, STSB is of the view that:

- i) The land sales of the investment properties were capital transaction which were liable to real property gains tax ("RPGT") in the year of assessment 2009 (which was a RPGT exempt year);
- ii) The Notices of Assessment raised by the IRB were statute barred and erroneous in Law; and
- iii) The accrual of development costs were allowable according to accounting standards and IRB's public ruling on property development.

STSB disagreed with the assessment raised by the IRB and on 1 June 2017, filed a Notice of Appeal to the Special Commissioners of Income Tax (SCIT) pursuant to Section 99(1) of the Income Tax Act 1967 (Form Q) with the Director General of Inland Revenue to appeal against the Notices of Assessment. A case management was held on 16 August 2018 whereby SCIT directed the parties to attend the next case management fixed on 19 November 2018.

During the case management on 19 November 2018, the SCIT fixed another case management on 26 February 2019 for parties to update on the status of settlement as IRB required more time to consider the settlement proposal.

c) Gain on sale of investment properties and development costs - Saujana Triangle Sdn Bhd (Continued)

On 26 February 2019, IRB requested for a 3 months mention date. In that regards, the SCIT fixed a next mention date on 10 May 2019 for the parties to update the Court on the progress of settlement, however the mention was not reflected in SCIT's diary and a new mention date will be fixed and informed by SCIT.

Meanwhile, STSB also made an Application to the High Court ("HC") of Kuala Lumpur for a Judicial Review and Stay which was dismissed on 9 August 2017. On the advice of its solicitors, STSB has on 10 August 2017 filed an appeal to the Court of Appeal ("COA") against the HC's decision and filed a Notice of Motion to Stay on the effect and enforcement of the said Notices of Assessment pending the appeal before the COA. On 29 August 2017, the COA has granted an interim stay on the IRB's Notices of Assessment.

The COA scheduled a case management on 15 November 2017 for STSB to file its notes of proceedings, which it was further adjourned to 18 December 2017. The COA fixed a hearing date to be held on 13 March 2018 for STSB to file its Submissions by 27 February 2018. On 13 March 2018, the COA did not allow STSB's appeal on the decision of the HC in not granting the application for a Judicial Review and Stay.

On 6 September 2017, the IRB filed a Notice of Motion for Leave to Appeal to the Federal Court ("FC") against the COA's decision to grant the interim relief. The FC directed STSB to file its Written Submission on 20 November 2017 and to attend a hearing on 4 December 2017. On 20 November 2017, the case management was postponed to 22 November 2017 to fix for a hearing date. On 22 November 2017, the FC scheduled a new hearing to be held on 28 March 2018 prior to which Written Submissions are to be filed. On 25 April 2018, proceedings with the FC was discontinued as the IRB filed the notice of discontinuance at the FC.

On 12 April 2018 and 18 April 2018, STSB was served with two (2) Writs of Summon pertaining to the IRB's Notices of Assessment amounting RM79,326,018 of additional tax assessment and penalty, and RM12,295,533 of late payment fine, totalling RM91,621,551. In response, STSB immediately filed applications for Stay and Extension of Time at the HC on the IRB's Writs of Summon. On 24 April 2018, a case management was conducted at the HC for the first suit and a hearing was fixed on 4 July 2018. On the second suit, STSB is to file Affidavit and Submissions on or before 1 June 2018 and 11 June 2018 respectively.

The hearing on 4 July 2018 has been converted to a case management and the hearing of application for a stay of proceedings for the two (2) suits has been fixed on 19 September 2018.

On 19 September 2018, the parties have entered into a consent judgement that STSB will be granted a stay of the civil recovery proceedings at the High Court until the full and final determination of its appeal at the SCIT. The Court also directed parties to attend case management on 22 November 2018 to update the Court on the status of the matter at the SCIT.

The case management on 22 November 2018 at the Shah Alam Court has been vacated and fixed instead on 10 December 2018 to update the Court on the status of the matter at the SCIT.

The case management on 10 December 2018 has been vacated and next case management was fixed on 30 January 2019. During case management on 30 January 2019, the Court ordered that the Plaintiff's Writ and Statement of Claim in both suits be struck out with no order as to cost and with liberty for the Plaintiff to file afresh after disposal of the SCIT appeal. The hearing before the SCIT is fixed on 21 and 22 November 2019.

Upon consulting its solicitors, the Board is of the view that there are grounds to disagree with the Notices of Assessment raised including the imposition of penalties as explained above.

On a prudent and without prejudice basis, a provision of tax and penalty amounting RM4,579,771 and RM4,534,737 respectively have been made in the financial year ended 30 June 2017, solely for reporting purposes. STSB maintains the view that the basis of the assessment that the gain on disposal of this investment properties should be subjected to RPGT and the development costs accrued be allowed according to accounting standards and IRB's public ruling on property development.
