The Group's revenue decreased by RM18.4 million to RM36.1 million for the current quarter from RM54.5 million for the corresponding quarter of the preceding financial year. This was primarily due to the lower sales contributed by all business divisions.

The Group recorded a loss before taxation of RM25.1 million in the current quarter compared to a loss before taxation of RM0.06 million in the corresponding quarter of the preceding financial year. This was mainly due to the decrease in revenue for all business divisions, stock written down, intangible assets written off and fair value loss on other investments.

16. Current year prospects

The global economy is expected to be sustained in the remaining months of 2024, supported by moderating inflation and monetary policy easing by the advanced economies. According to a report issued by Bank Negara Malaysia, the growth outlook faces downside risks from, amongst others, weaker-than-expected external demand and further escalation of geopolitical conflicts. Going forward, upside risks to the outlook would be dependent on the extent of spillover effects of further domestic policy measures on subsidies and price controls to broader price trends, as well as global commodity prices and financial market developments. The Group's business is largely dependent on all these factors and it will continue to monitor prevailing market conditions and adopt appropriate strategies to enhance its financial performance.

17. Profit forecast

The Group did not make any profit forecast or profit guarantee during the current financial period.

18. Variance of actual profit from forecast results or profit guarantee

23. Material litigations

(i) Legal claim against Trans Pacific Textile (M) Sdn Bhd ("TPTM")

A subsidiary of the Company, TPTM received a Notice of Arbitration from Pembinaan Thong Lian Sdn Bhd ("PTLSB"). TPTM had engaged PTLSB for the construction of a textile factory and waste water treatment plant ("Project") via its Letter of Acceptance dated 24 January 2017 and Letter of Supplemental Agreement dated 2 May 2017. As the completion of the Project was behind the original schedule, TPTM was awarded liquidated ascertained damages ("LAD") of RM6.52 million following an adjudication proceeding.

Following the decision of the Adjudicator, PTLSB initiated an arbitration to claim the following:-

- (i) LAD of RM6.52 million;
- (ii) Retention sum of RM1.51 million;
- (iii) Damages suffered for alleged breach of contract by TPTM and the architect;
- (iv) Interest on any sums awarded in the Arbitral tribunal from such date as the Arbitrator deems fit and proper;
- (v) Cost of the arbitration; and
- (vi) Such other or further reliefs as the Arbitral Tribunal shall deem fit.

Interim report for the period ended 31 July 2024 (The figures have not been audited)

ADDITIONAL INFORMATION AS REQUIRED BY APPENDIX 9B OF BURSA MALAYSIA LISTING REQUIREMENTS (CONT'D)

TPTM has engaged a legal firm to represent it to defend the claim brought by PTLSB. The parties have agreed on the appointment of the sole arbitrator and the first preliminary meeting was conducted on 25 August 2022.

All pleadings have been filed by both parties detailing out the position of both parties in this arbitration as well as the common bundles of documents, agreed facts and list of witnesses.

On 22 January 2024, PTLSB had delivered an application to amend their statement of case which was allowed by the Arbitral Tribunal on 31 January 2024. Further, the Arbitral Tribunal had also fixed new deadlines for the parties to exchange the expert reports, witness statements and joint expert report on 23 February 2024, 29 February 2024 and 12 April 2024 respectively.

Following the ruling of the Arbitral Tribunal, TPTM had on 23 February 2024 filed an application under Section 18 of the Arbitration Act 2005 at the High Court to appeal against the said ruling allowing PTLSB to amend its statement of case. In addition, on 18 March 2024, the Arbitral Tribunal had confirmed that the arbitration proceedings are stayed pending the disposal of the application filed by TPTM at the High Court and consequently vacated all hearing dates.

The completion of exchange of Affidavits and filing of Written Submissions took place from April 2024 until end June 2024. The High Court then heard TPTM's application on 1 July 2024 whereby after the Hearing, the High Court had directed parties to produce further legal authorities on or before 12 August 2024 to support their respective arguments and/or positions taken in this proceeding and fixed 21 August 2024 to deliver its Decision. TPTM had produced the said further legal authorities to the High Court on 16 August 2024 (pursuant to an extension of time agreed by the parties and allowed by the High Court).

On 21 August 2024, the High Court had allowed TPTM's application with no order as to costs and further ordered that the ruling of the Arbitral Tribunal dated 31 January 2024 in allowing PTLSB to amend their statement of case be set aside. The High Court also ordered that PTLSB's application be remitted back to the Arbitral Tribunal to be reheard on merits and for both parties to be provided with the right to file full and proper legal submissions before any ruling is given by the Arbitral Tribunal.

The sealed High Court Order was duly served on the Arbitral Tribunal on 3 September 2024 upon its extraction from the High Court's registry to which the Arbitral Tribunal was notified of the Court's directions for the application to be reheard on merits. In this regard, TPTM through its solicitors had also requested from the Arbitral Tribunal for a preliminary meeting to be fixed and/or for new directions to be given in respect of the amendment application. So far, the Arbitral Tribunal has not responded nor issue new directions on the amendment application.

The Directors of the Company do not expect the outcome of the action to have a material effect on our Group's financial position. Furthermore, the solicitors having conduct of the matter are of the opinion that there is a more than equal chance for success on the primary defenses and the heads of TPTM's claims in the counterclaim.
