17. There was no materials change in the profit before taxation for the quarter reported on as compared with the preceding quarter.
18. Operating losses have been reduced due to severe cost cutting measures despite lower turnover. The building at Northam Road in Penang had recommenced construction under a new financial package and is due for completion at the end of year 2000.
The company obtained the Section 176 Restraining Order on its creditors on 24th November 1999 and has subsequently been extended to 24th May 2000 and the company requesting for a further extension to complete the composite restructuring of a Group together with its lenders and creditors.
19. The Plastics manufacturing activities of the group that are currently manufactured under Watford Technologies Sdn Bhd (formerly known as MYH Construction Sdn Bhd) are operational on a limited scaled down bases. We do not see positive growth in the last quarter of this year due to
(i) Increase prices for Raw Materials by over 20%.
(ii) Cyclical downturn in the last quarter of the year.
The plastics industry is facing increasing competition from countries like China and thus the viability of continuing the plastics business under the severe financial constraints is being examined.
