1) Foster Moore International Limited ("the Plaintiff") vs. Formis Network Services Sdn. Bhd. ("FNS") and Omesti Berhad ("Omesti")

Omesti together with Formis Network Services Sdn Bhd ("FNS"), an indirect subsidiary of Omesti (collectively, the "Defendants"), had on 13 May 2020 received a writ of summons and statement of claim, both dated 2 April 2020, from Foster Moore International Limited ("Plaintiff") alleging that FNS had failed to pay the Plaintiff for works done in accordance with a master service agreement dated 20 November 2017 entered into between the Plaintiff, Omesti (as corporate guarantor to guarantee the payment obligation of FNS) and FNS. The works in question related to the provision of services and deliverables by the Plaintiff to FNS in connection with an online register of companies solution to the Companies Commission of Malaysia ("CCM").

The Plaintiff sought, inter alia, the following orders from the Kuala Lumpur High Court ("the Court"):

- a) that the Defendants jointly and severally pay the Plaintiff an outstanding sum of USD0.8 million;
- b) interest at the rate of 1.5% per month for the sums due and owing amounting to an aggregate sum of USD0.8 million, calculated from the due date, being no later than 30 days after the date of the invoice or the date of issuance of the invoice, until the date of judgment;
- c) post-judgment interest at the rate of 5% per annum on the judgment sum from the date of judgment until full and final settlement of the same;
- d) costs; and
- e) any further and other relief as this Court deems appropriate.

The Defendants filed a statement of defence and counterclaim against the Plaintiff on 10 July 2020. In the counterclaim, the Defendants are claimed for, amongst

- (i) Damages for overpayment to the Plaintiff; and
- (ii) Licence fees in the approximate sum of USD1.0 million.

Subsequently, the Plaintiff filed its reply and defence to counterclaim on 4 September 2020 and the Defendants filed their reply to the Plaintiff's defence to counterclaim on 16 October 2020. Further the Defendants had received the Plaintiff' amended reply to defence and counterclaim on 14 December 2020 and the Defendants had subsequently filed their amended reply to the Counterclaim on 4 January 2021.

The court was informed, on 25 October 2023, of the ongoing settlement negotiations between the Parties. The Parties have since settled this matter amicably via a consent order which provides that:

- a) all further proceedings in this suit shall be stayed upon the terms set out in the settlement agreement;
- b) either party may be permitted to apply to the Court to enforce the terms of the settlement agreement upon which the suit has been stayed without the need to bring a new claim;
- c) Parties have agreed that any claim for breach of contract arising from an alleged breach of the terms set out in the settlement agreement may, unless the Court orders otherwise, be dealt with by way of an application to the Court without the need to start a new claim; and
- d) there is no order as to costs.

On 26 February 2024, FNS and Omesti were notified that the aforesaid consent order dated 6 February 2024 was approved by the Court.

2) Formis Network Services Sdn Bhd ("FNS") vs Suruhanjaya Syarikat Malaysia ("SSM")

On 5 August 2019, CCM issued a termination notice ("Termination Notice") to FNS to terminate the outsourcing agreement dated 28 November 2017 entered into between CCM and FNS (which was supplemented by a first supplemental agreement dated 28 March 2019) for the supply, implementation, training, support and maintenance of CCM's Core Digital Registry Solution ("Outsourcing Agreement"). Pursuant to the Termination Notice, CCM alleged that FNS failed and/or neglected to complete the implementation of "Release 1" within the prescribed time frame set out in the notice of default dated 3 June 2019 issued by CCM and to fulfil all its obligations as stipulated in the Outsourcing Agreement. By reason thereof, CCM sought to terminate the Outsourcing Agreement and demanded liquidated ascertained damages in the sum of RM13.2 million from FNS.

FNS in response, via its letter dated 9 August 2019, denied CCM's allegations and took the position, amongst others, that the Termination Notice is unlawful and premature. In this regard, FNS took the position that if CCM continues to breach the Outsourcing Agreement, FNS will be constrained to commence proceedings against CCM and the indicative sum of damages sought (which is provided by the Outsourcing Agreement) would be RM150.0 million.

The parties thereafter engaged in a dispute resolution discussions as provided for under the terms of the Outsourcing Agreement.

On 8 July 2020, CCM via its solicitors issued a letter to FNS confirming that CCM has maintained its decision to terminate the Outsourcing Agreement in accordance with the Termination Notice, as CCM believes that no amicable solution can be reached between the parties.

FNS maintains the position that it is not in default of the Outsourcing Agreement and had filed a writ and statement of claim on 11 February 2021 against CCM. CCM had served their defence and counterclaim on FNS on 30 March 2021, claiming among others:

- a) RM 49,298,651.00 for liquidated ascertained damages ("LAD") allegedly owing by FNS to CCM due to delays and costs for the payment of licensing which CCM would not have had to allegedly incur, had the Core Project been completed as per the agreed timeline under the Outsourcing Agreement
- b) Damages to be assessed by Court

8 Changes in material litigation (cont.)

- c) Interests on all sums allegedly due
- d) Costs
- e) An order for the delivery of all the content, materials, designs, specifications, records, accounts, detailed report, data, document and any other information belonging to the CCM by FNS.

FNS filed and served its reply to CCM's defence and counterclaim on 12 May 2021 denying and disputing CCM's defence and counterclaim. Apart from the writ and statement of claim filed by FNS against CCM, FNS had subsequently filed a sealing application to ensure all documents in relation to FNS's confidential information and intellectual properties including works created and/or products designed and/or developed by FNS in performing its obligations under the Outsourcing Agreement are sealed and shall only be privy to parties named in the Suit and the Court. A Consent Order for the sealing application was recorded on 23 November 2021.

Additionally, the Court heard, on 28 December 2023, the discovery applications filed by both Parties - FNS's application as Enclosure 96 and SSM's application as Enclosure 100. The Court did not grant either application, save for any documents that were voluntarily agreed to be produced. FNS filed an appeal on Enclosure 96 ("Discovery Appeal") on 26 January 2024, based on our solicitor's opinion that the Court did not sufficiently consider the relevance and necessity of Enclosure 96. The Court fixed 14 January 2025 for the Discovery Appeal as yet. Trial dates for this matter have been fixed for 13 to 16 May 2025.
