### EXPLANATORY NOTES TO CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

#### PART A: REQUIREMENTS OF MFRS 134: INTERIM FINANCIAL REPORTING

#### A1 Basis of Preparation

The Condensed Consolidated Interim Financial Statements are unaudited and have been prepared in accordance with the requirements of Malaysian Financial Reporting Standards ("MFRS") 134: Interim Financial Reporting issued by Malaysian Accounting Standard Board ("MASB") and Paragraph 9.22 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

The Condensed Consolidated Interim Financial Statements should be read in conjunction with the audited financial statements of the Group for the financial year ended 30 June 2013. The explanatory notes attached to the Condensed Consolidated Interim Financial Statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 30 June

#### A2 Accounting Policies

The accounting policies and methods of computation adopted in the preparation of the Condensed Consolidated Interim Financial Statements are consistent with those adopted in the audited financial statements for the year ended 30 June 2013 except for the adoption of revised MFRS, amendments to MFRSs and IC Interpretations which were effective for the financial period beginning on or after 1 January 2013.

The revised MFRSs, Amendments to MFRSs and IC Interpretations do not have significant impacts on the financial statements of the Group in the period of initial application except for the following:

### MFRS 119: Employee Benefits (Revised)

MFRS 119: Employee Benefits (Revised) eliminates the use of the "corridor" approach in deferring the recognition of actuarial gains and losses on defined benefit plans and instead mandates all such gains and losses to be recognised immediately through other comprehensive income in order for the net pension asset or liability recognised in the statement of financial position to reflect the full value of the plan deficit or surplus. The expected returns on plan assets of defined benefit plans are not recognised in profit or loss and instead, the interest on net defined benefit obligation (net of the plan assets) is recognised in profit or loss, calculated using the discount rate used to measure the net pension obligation or asset.

The Group has adopted MFRS 119: Employee Benefits (Revised) and applied this standard retrospectively during the current period. Accordingly, the financial statements for the previous financial period and year have been restated as follows:

		As previously reported RM'000	Effect of adoption of MFRS 119 RM'000	Restated RM'000
