#### A3. Qualification of Audit Report of the Preceding Annual Financial Statements

The auditors' report on the annual financial statements of the Group for the financial year period ended 30 June 2017 was qualified and the details of the qualification are as described belows:-

# **Qualified Opinion**

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraph, the financial statements give a true and fair view of the financial position of the Group and of the Company as at 30 June 2017 and of their financial performance and cash flows for the financial year then ended in accordance with the Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

#### **Basis of Qualified Opinion**

1. As disclosed in Note 37(a), on 17 November 2015, the Company appointed a professional service firm to carry out a special audit on specific transactions and/or payments made by the Group and the Company. The special audit was conducted in response to complaints filed against certain directors of the Company on (i) Allegation of benefit to director(s) from debt restructuring exercises; (ii) Payments made by a subsidiary to a company related to a director; (iii) Benefitting from position as director during acquisition of properties from the Group; (iv) Submitting unauthorised requests to banks; and (v) Payments made to a person and companies connected to a director.

The Special Audit Report was issued on 25 February 2016 and the Special Auditor provided its observations relating to those allegations. As reported by the Special Auditor, it does not have sufficient information to ascertain whether any of the Company's directors and/or any persons connected with the directors have any interest in the profit gained by the SPV in connection with the debt restructuring exercises. It has also reported that, however, RM4,909,018 of the total settlement sum of RM9,817,291 paid by Special Purpose Vehicle ("SPV") to the lenders were paid on behalf by a company in which certain directors of the Company are also directors. The special auditor noted that a director of the Company appeared to have signed on the SPV's general cash vouchers and letter containing SPV's cheque information issued to a financial institution; and the SPV helped a director of the Company to settle his personal guarantee with a financial institution as disclosed in Note 36.

On 25 October 2016, the Auditors' Report on the Financial Statements for the financial period ended 30 June 2016 was issued. The said report contains a qualified opinion by the Company's external auditors, Messrs. Deloitte as detailed in Note 36.

As disclosed in Note 37(b), during the current financial year ended 30 June 2017, the Company has appointed a legal advisor to carry out internal investigation on few matters highlighted in the special audit and the external auditor in the qualified opinion for the financial period ended 30 June 2016. On 30 August 2017, the Company announced the solicitor was unable to conclude the internal investigation on the suspended director as the suspended director refused to cooperate and attend any interview with the solicitor.

The matter stated above were unresolved since the preceding financial period and formed the basis of qualified opinion on the financial statements of the Group and the Company for the preceding financial period ended 30 June 2016.

We are unable to obtain sufficient appropriate audit evidence to determine the nature and extent of relationship that may exist between the Company and the SPV by virtue of the said transactions and the debt restructuring exercises. Consequently, we were unable to determine whether the Company had control over the SPV; and whether the transactions between the Group and SPV are related party transactions.

2. As disclosed in Note 33, during the preceding few years and the current financial year, the Company and certain subsidiaries have been involved in litigations as defendants as well as plaintiffs as further disclosed in Note 35.

As the outcome of these litigations are not presently known, the financial impact cannot be estimated or ascertained with reasonable certainty. Therefore, the Group is unable to quantify the financial impact or expected losses, if any. Should the outcome of the litigation be unfavourable to the Group, the Group is required to make the necessary provision.
