#### **Basis of Qualified Opinion**

On 24 October 2017, the Auditors' Report on the Financial Statements of the Group and of the Company for the financial period ended 30 June 2017 was issued. The said report contains a qualified opinion by the Company's external auditors, Messrs. Baker Tilly Monteiro Heng as detailed in Note 32.

We are unable to obtain sufficient appropriate audit evidence to determine the nature and extent of relationship that may exist between the Company and its Relevant Subsidiary Companies and the Special Purpose Vehicle ("SPV") by virtue of the said transactions and the debt restructuring exercises. Consequently, we were unable to determine whether the Company had control over the SPV; and the completeness of the comparative disclosures relating to the related party transactions between the Group and the SPV.

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **B3.** Prospects

Going forward, the Group will continue to focus on and develop its major business segment which is property development segment in Machang Bubok, Bukit Mertajam. The Group is still on a continuous look out for land acquisition and joint venture opportunities to add to its existing land bank and continues to seek for new business opportunities that will contribute positively to the Group.

The prospect of the property development market is expected to be challenging as operational activities continued to be affected by elevating cost of building materials, labour supply crunch, high interest rates (which increase lending costs to prospective homeowners) and inflationary pressure which will drive up the total construction cost.

The Board and Management will constantly monitor the development and changes in the conditions of the property markets and plan our property launches accordingly to avoid holding a high level of stock. The Group will also take proactive measures to maintain its competitiveness through reasonably priced quality products that meet customers' expectations.

The Group will continue to focus on monetising its inventories and is planning to launch the 2 blocks of apartment with commercial lots at the lower levels in FY2024.
