## **SECURITIES LISTING REQUIREMENTS**

### **15. Group Performance Review**

The revenue for the current financial quarter ended 30 June 2016 decreased by RM14.94 million to RM3.19 million from RM18.14 million recorded in the preceding corresponding period. The Group recorded a loss before taxation of RM0.54 million as compared to a profit before taxation of RM0.93 million for the same corresponding period.

The reduced in revenue and profit before taxation was mainly due to slower progress at site of several construction contracts undertaken by the Group. The results relate solely to the construction operating segment.

### **16. Comparison with Preceding Quarter's Results**

The Group recorded revenue of RM3.19 million for the current quarter as compared to RM1.47 million in the immediate preceding quarter. The Group recorded a loss before taxation of RM0.54 million as compared to a loss before taxation of RM0.75 million in the immediate preceding quarter.

The reduced in revenue and profit before taxation was mainly due to slower progress at site of several construction contracts undertaken by the Group. The results relate solely to the construction operating segment.

### **17. Prospect for the Financial Year 2016**

The Group will remain cautious in view of challenging year of 2016 with the Board foresees the Group's operational results will be equally challenging.

The revenue generation will mainly come from the construction contracts of property development projects with significant effort be given to secure new construction jobs to improve the order book. The Group expects the market would be softer due to uncertain economic environment and will continue to focus on the completion of its construction projects.
