WCT HOLDINGS BERHAD ("WCT" OR "THE COMPANY") (930464-M)
QUARTERLY UNAUDITED RESULTS OF THE GROUP FOR THE THIRD QUARTER ENDED 30
SEPTEMBER 2018

A EXPLANATORY NOTES IN COMPLIANCE WITH MALAYSIAN FINANCIAL REPORTING STANDARDS ("MFRS") 134, INTERIM FINANCIAL REPORTING

A1 Basis of Preparation

The interim financial statements have been prepared under the historical cost convention except for revaluation of freehold land and buildings included in property, plant and equipment and investment properties which are stated at fair values.

The interim financial statements are unaudited and have been prepared in compliance with MFRS 134, Interim Financial Reporting issued by the Malaysian Accounting Standards Board ("MASB") and paragraph 9.22 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad ("Bursa Malaysia").

The interim financial statements should be read in conjunction with the audited financial statements of the Group for the year ended 31 December 2017. For the periods up to and including the year ended 31 December 2017, the Group prepared its financial statements in accordance with Financial Reporting Standards ("FRSs"). These explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Group since the financial year ended 31 December 2017.

These interim financial statements are the Group's first MFRS-compliant financial statements and hence MFRS 1: First-Time Adoption of Malaysian Financial Reporting Standards (MFRS 1) has been applied.

The date of transition to the MFRS framework is 1 January 2018. At that transition date, the Group has reviewed its accounting policies and considered the transitional opportunities under MFRS 1. The impact of the transition from FRS to MFRS is described in Note A2 below.

A2 Changes in Accounting Policies

The significant accounting policies adopted by the Group are consistent with those of the audited financial statements for the year ended 31 December 2017, except for the adoption of the following new Malaysian Financial Reporting Standards ("MFRSs") and Amendments to MFRSs with effect from 1 January 2018.

A2 Changes in Accounting Policies (Cont'd.)

MFRSs and Amendments to MFRSs

Description	Effective for annual periods beginning on or after
MFRS 2: Classification and Measurement of Share-based	
Payment Transactions (Amendments to MFRS 2)	1 January 2018
MFRS 9: Financial Instruments	1 January 2018
MFRS 15: Revenue from Contracts with Customers	1 January 2018
MFRS 140: Transfers of Investment Property (Amendments to MFRS 140)	1 January 2018
Annual Improvements to MFRS Standards 2014 - 2016 Cycle	1 January 2018
IC Interpretation 22: Foreign Currency Transactions and Advance	
Consideration	1 January 2018

Effective for annual newledge

The above pronouncements are either not relevant or do not have any impact on the financial statements of the Group, except as mentioned below:

MFRS 9: Financial Instruments

MFRS 9 Financial Instruments replaces MFRS 139 Financial Instruments: Recognition and Measurement for annual periods beginning on or after 1 January 2018, bringing together all three aspects of the accounting for financial instruments: classification and measurement, impairment and hedge accounting. Retrospective application is required, but comparative information is not compulsory.

The Directors of the Company have assessed the impact of MFRS 9 on the Group's financial statements as follows:

(i) Classification and measurement

There is no significant impact on its statements of financial position or equity on applying the classification and measurement requirements of MFRS 9. The Group continues to measure all its financial assets at fair value.

Loans and receivables are held to collect contractual cash flows and are expected to give rise to cash flows representing solely payments of principal and interest. The Group analysed the contractual cash flow characteristics of those instruments and concluded that they meet the criteria for amortised cost measurement under MFRS 9. Therefore, reclassification for these instruments is not required.

(ii) Impairment

The Group will apply the simplified approach and record lifetime expected losses on all trade receivables.

These amendments do not have a significant impact on the Group's financial statements for the financial period on or after 1 January 2018.

A2 Changes in Accounting Policies (Cont'd)

MFRS 15: Revenue from Contracts with Customers

MFRS 15 establishes a new five-steps model that will apply to revenue arising from contracts with customers. MFRS 15 will supersede the current revenue recognition guidance including MFRS 118: *Revenue*, MFRS 111: *Construction Contracts* and the related interpretations when it becomes effective.

The core principle of MFRS 15 is that an entity should recognise revenue which depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Under MFRS 15, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when "control" of the goods or services underlying the particular performance obligation is transferred to the customer.

The Group adopts the new standard using the full retrospective with practical expedient method and the following areas that will be affected.

Presentation and disclosure requirements:

The presentation and disclosure requirements in MFRS 15 are more detailed than the current standard. Many of the disclosure requirements in MFRS 15 are new and the Group has assessed that the impact of some of these disclosures will be significant. In particular, the Group expects that the notes to the financial statements will be expanded because of the disclosure of significant judgments made: when determining the transaction price of those contracts that include variable consideration, how the transaction price has been allocated to each performance obligation, and the assumptions made to estimate the stand-alone selling prices of each performance obligation. In addition, extended disclosures are also expected as a result of the significant judgement made when assessing the contract where the Group has concluded that it acts as an agent instead of a principal. MFRS 15 also requires revenue recognised to be disaggregated into categories that depict the nature, amount, timing and uncertainty of revenue and cash flows.

In summary, the impact of MFRS 15 adoption by the Group is summarised as follows:

Impact on equity (increase/(decrease)) as at 1 January 2017:

Equity Retained earnings	RM'000 (179)
Impact on equity (increase/(decrease)) as at 31 December 2017:

B9 Material Litigation

Except as disclosed below, there are no material litigation pending since 31 December 2017 (being the date of the last annual statement of financial position) to 20 November 2018 (being the latest practicable date which is not earlier than 7 days from the date of issue of this quarterly report) in which the Group is engaged either as plaintiff or defendant, and the Board of the Company has no knowledge of any proceedings pending or threatened against the Company or of any facts likely to give rise to any proceedings which might materially and adversely affect the position or business of the Group during the said period.

(i) Status update on the arbitration proceedings in relation to the cancellation ("the Cancellation") of the Nad Al Sheba Racecourse, Dubai, U.A.E. contract ("the Contract"):

On 11 January 2009, WCT Berhad ("WCTB"), a wholly-owned subsidiary of the Company (jointly with Arabtec Construction LLC, ("Arabtec") in a 50:50 joint venture ("Joint Venture") and as Claimants) commenced arbitration proceedings against Meydan Group LLC (formerly known as Meydan LLC, as Respondent) ("Meydan") in relation to the Cancellation. In the course of the arbitration proceedings, the Joint Venture's dispute and claims had been revised from time to time and eventually totalled approximately AED2.8 billion. Meydan eventually took the position that the DIAC Case No. 02/2009 had expired by effluxion of time. After deliberation, the arbitration Tribunal in DIAC Case No. 02/2009 had on 9 June 2012 rejected conclusively Meydan's submission that the arbitration proceedings had expired by effluxion of time. Notwithstanding the arbitration Tribunal's decision above, Meydan had on 14 June 2012 brought its counterclaims in relation to what was DIAC Case No. 02/2009 before the Dubai Courts under Commercial Action No. 1066/2012 ("Civil Suit"), claiming against the Joint Venture, a sum of AED3.5 billion. On 26 February 2013, the Dubai Court of First Instance dismissed the Civil Suit on the grounds that the DIAC Case No. 02/2009 had not expired by effluxion of time and in view of the valid and binding arbitration agreement between the parties.

On 27 February 2013, WCTB was informed by Arabtec that its board of directors had agreed to Meydan's proposal for Arabtec and Meydan to withdraw all pending legal cases as between themselves without prejudice to their respective rights and to proceed with negotiations for an amicable settlement. Pursuant thereto, Arabtec and Meydan had withdrawn their respective claims and counterclaims as against themselves, from the DIAC Case 2/2009. The arbitration proceedings then continued as between WCTB and Meydan in respect of WCTB's rights in its share of the Joint Venture's claims namely approximately AED1.4 billion.

On 24 March 2013, Meydan filed a notice of appeal to the Dubai Court of Appeal against the dismissal of the Civil Suit by the Court of First Instance insofar as it concerns Meydan's counterclaims against WCTB. On 26 November 2014, the Dubai Court of Appeal confirmed that the arbitral proceedings in DIAC Case No. 02/2009 continue insofar as they concern all outstanding issues between WCTB and Meydan and suspended Meydan's Civil Suit until the Final Award to be issued in DIAC Case No. 02/2009. Both Meydan and WCTB filed an appeal to the Court of Cassation. The Court of Cassation had on 27 December 2015 referred the Civil Suit back to the Court of Appeal for the Court of Appeal to review the same. On 13 July 2016, the Court of Appeal dismissed the Civil Suit on its merits. Meydan subsequently filed an appeal to the Court of Cassation and the Court of Cassation had on 7 May 2017 referred the matter back to the Court of Appeal for further review. On 25 October 2017, the Court of Appeal (again) rejected Meydan's Civil Suit and upheld the decision of the Court of First Instance.

B9 Material Litigation (Cont'd.)

(i) (Cont'd.)

Meydan had (again) appealed to the Court of Cassation but the Court of Cassation had on 22 July 2018 dismissed Meydan's appeal. As the Court of Cassation is the highest civil appeal court in Dubai, Meydan's Civil Suit is therefore now deemed concluded.

In the meantime, on 8 July 2015, WCTB received the Final Award of the arbitration Tribunal in DIAC Case No. 02/2009, dated 5 July 2015, where the Tribunal has found and ruled in favor of WCTB, amongst others, that:-

- Meydan's cancellation and purported termination of the Contract was unlawful, invalid and of no effect; and
- Meydan was not entitled to call on the Joint Venture's Performance Bond and must repay the same.

Consequently, the Tribunal awarded to and in favor of WCTB, and ordered Meydan to pay WCTB, a total of AED1,152,651,192.68 (Arab Emirates Dirham One Billion, One Hundred and Fifty Two Million, Six Hundred and Fifty One Thousand, One Hundred and Ninety Two and Fils Sixty Eight) (approximately *RM1,197,258,793 [Ringgit Malaysia One Billion, One Hundred and Ninety Seven Million, Two Hundred and Fifty Eight Thousand, Seven Hundred and Ninety Three]). WCTB is now undertaking the necessary legal proceedings for recognition and for enforcement of the Award.

The management believes, based on continuing legal opinion received, that the prospects of successfully recognizing and enforcing the Award are good.

B9 Material Litigation (Cont'd.)

- (ii) On 9 September 2017, AEON Co. (M) Bhd ("the Plaintiff") had commenced a suit by way of Originating Summons against Gemilang Waras Sdn Bhd ("the Defendant" or "GWSB"), a wholly-owned subsidiary of WCT Land Sdn Bhd ("WCTL") in the High Court of Malaya in Kuala Lumpur ("the Suit") in relation to the renewal of the lease ("Lease") for AEON Mall Bukit Tinggi ("the Leased Property") where the Plaintiff is seeking the following primary reliefs:-
 - (1) Injunction to prevent the Defendant or its agents or its servants or its affiliate or its holding company from taking any action to terminate the Lease Agreement dated 23 November 2007 pending the court's decision;

The Defendant had appointed external lawyers to oppose and defend the Suit and in the course of defending the Suit, had on 4 December 2017 filed its counterclaim ("Counterclaim") against the Plaintiff by way of a Notice of Application seeking the following primary reliefs:-

- (1) Vacant possession of the Leased Property to be delivered to the Defendant;
- (2) Damages to be paid by the Plaintiff to the Defendant in the form of double rental in the amount of RM4,838,590.90 per month (calculated on the basis of a monthly rental of RM2,419,295.45) pursuant to section 28(4) of the Civil Law Act 1956;
- (3) Alternatively, for damages to be assessed, calculated from 23 November 2017 until the date vacant possession of the Leased Property is delivered to the Defendant; and
- (4) Any other reliefs that the court deems fit.

On 27 April 2018, the High Court dismissed the Plaintiff's Suit and allowed the Defendant's Counterclaim with costs, in respect of vacant possession and the alternative relief of damages to be assessed ("Decision"). On 15 May 2018, the Plaintiff filed a Notice of Appeal to the Court of Appeal against the Decision ("Appeal") and subsequent thereto the Defendant filed a Notice of Cross Appeal ("Cross Appeal").

The parties had on 17 October 2018 agreed to an amicable out-of-court settlement and have executed a Supplemental Lease Agreement ("SLA") to further renew the lease period for another 6 years commencing from 24 November 2017, subject to options to renew for a further 2 terms, comprising 6 years and 3 years respectively. Following the execution of the SLA and in accordance thereto, parties had withdrawn their respective Appeal and Cross Appeal and the Defendant had agreed and undertaken that it would not enforce the High Court Order dated 27 April 2018.
